Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of one year from the 15th March 1917 of an additional teacher on Rs. 25/- per mensem in the Government Hindu Girls' - School, Vellore and for the grant of a personal or compensatory -- allowance of Rs. 2/- each per mensem to the first two teachers on Rs. 10/ per mensem in that school.

2. The Inspectress of Girls' Schools, Central Circle, reports -- that the present staff of the school consisting of eight teachers on Rs. 65+25 personal allowance, 20, 14+1 personal allowance, 12 and 3+10 and one temporary on Rs. 30--is inadequate to manage the --- school with its present strength and average attendance particu-

pay. Miss Lynch further states that the first assistant who is an Upper Secondary Grade Teacher and the 2nd and 3rd assistants who are trained lower secondary teachers are all discontinued ^{entire} ~~forever~~ want of promotion and that the last three assistants on Rs.10/--- have been asking for increase of pay as they find it impossible to live on their present pay.

I agree with the Inspectress in thinking that an additional teacher is necessary as her employment would give some relief to the Headmistress, but I consider that ^{the} post may be -- temporary for a year and that the pay thereof may be fixed at Rs.25/- per mensem in view of the fact that the post of temporary assistant, already on the staff carries a salary of Rs.30/- per mensem and that it is proposed to appoint to it Mrs. N.H. -- Christian, the present 1st Assistant who is a certificated teacher of the secondary grade. As regards the increase recommended by the Inspectress for the last three posts, on Rs.10/ I think that two of the teachers who hold Trained Teachers' Certificates of the Elementary grade may have a compensatory allowance of Rs.2/ per mensem in view of the difficulty repeatedly pointed out in securing such teachers ^{who} while the third is an untrained and uncertificated mistress may continue on her present salary. I do not think that any further revision is called for at present.

3. The extra charge involved by the above proposal will amount to Rs.29/ per mensem or Rs.333 1/2 during the year 1917-18 for meeting which I shall submit a reappropriation statement on receipt

receipt of the final edition of the Civil Budget Estimate for that year.

I have the honour to be,

S i r,

Your most obedient servant.

employment of an additional teacher may, it is submitted, be accepted. The object however of fixing the pay of the new temporary post at Rs. 25 is avowedly to give promotion to the 1st, 2nd and 3rd assistants and the net result will be to bring in an additional teacher on Rs. 12. In ordinary circumstances it would suffice if the pay of the post were fixed at Rs. 12, but since it is stated that there is discontentment among the staff, the proposed rate need not perhaps be objected to in this department.

Item (b) may be accepted.

3. Provision of funds. - Please see para 3 of the D.P.I.'s letter on pp. 2-3 C.F. The D.P.I. has to be asked to submit a reappropriation statement to meet the extra cost during the current year. Home (Educ.) may be requested to add a para to the draft order which may otherwise be accepted. Subject to orders with reference to 2 above.
