Sir,

I have the honour to submit herewith the letter R.O.C.No. 29 Eng. Cur of 1916, dated 7th February 1917 from the Chairman, Municipal Council, Tiruvannamalai, and to recommend his request for sanction. The expenditure on the school calculated for 17 months from 1st July 1915 will amount to Rs.822 which may be paid to the Municipality from the only source I can suggest viz, anticipated savings in the allotment under "22-G.Grants-in-aid - Teaching grants to Elementary schools" in the current year's budget as a

special case.

[C. 1431]. From the D.P., Rec No. 1228/17 & the 17-3-17.

(M) In G.O. No. 26 Home (9a), dt. the 6th January 1917 the Govt. sanctioned an annual subsidy of Rs. 500 towards the cost of maintenance of the Muham-madan girls' school under the management of the Tiruvannamalai Municipality and paid a sum of Rs. 145 for the last three months of the current year. The Municipality now applies for a subsidy for the past period commencing from the 1st July 1915 amounting to Rs. 522. The D.P. recommends the application.

2. A draft order sanctioning the grant applied for is submitted. If approved, it may be forwarded to the Financial Dept. for acceptance.

The case for a grant for past expenditure seems very thin. The council has been maintaining the school from 1st July 1915. In January 1916 it found that it had not received the sanction of Govt. for the establishment of the school and accordingly applied for it. The question of fund is raised. Post

unsuccessful attempts to point out a source from which money could be found, ^{Council} this stated in December 1916 that it had applied ^{to Govt} for an annual grant of Rs 500. The present application to the D.P.D. for a grant with retrospective effect is based on the ground that the sanction for establishment has effect from 1st July 1915, and not on the financial position of the Council, which alone will ordinarily justify a subsidy. The file may first be sent to L.M. for remarks.
