NOTES.

Home Department,
(Education).

It has long been recognised that the present inspecting staff is inadequate to cope with the work devolving on it and a general scheme of reorganization is under consideration. To meet ^{the} immediate requirements ^(the app has) proposed the employment of 22 'personal assistants' to 8 inspectors and 14 assistant inspectors and three 'personal assistants' to the three inspectresses. These proposals are under consideration.

2. The following draft answer is suggested:-

"The Government are unable to entertain the suggestion." ~~They consider that a~~
~~"substantial addition to the present strength~~
