2. The following draft answer is suggested for approval:-

"During the last five years three officers of the Subordinate Educational Service, Collegiate branch, were appointed to posts of Assistant Inspectors included in the Provincial Educational Service. The number of such posts filled, either permanently or temporarily, by direct recruitment ^{was} also three. In making these appointments due consideration was given to the ~~qualifications~~ and qualifications of Sub-Assistant Inspectors then in the service".

I don't think seniority should be mentioned. Seniority in the Sub. E. Service, I understand, constitutes no claim whatever to promotion to the P.E.S.
