EXTRACTS.

*From the Resolutions passed at the Tenth Sitting of the Conference
held at Satara on the 27th, 28th & 29th December 1916.*

Under the Presidency of

Shrimant Sadashivrao Khashe Sahib Pavar,

CHIEF MINISTER, Dewas State, (Junior.)

Resolution No. 1.

That this Conference respectfully begs to convey to His Most Gracious Majesty the King Emperor, George the Fifth on behalf of the Maratha Community of India their resolve to stand by the Empire at all hazards; and prays that the cause of the British Empire may be crowned with success.

Resolution No. 2.

That this Conference respectfully requests the Government to give Primary, Secondary and Higher Education FREE, to the sons of the Indian Soldiers, who are fighting on the battlefield and for the sons of those who will afterwards join the Field Service and fight for the Empire.

Resolution No. 5.

That this Conference is of opinion that limiting the admission of students at present in force to High Schools and Middle Schools, will hamper the progress of secondary education among the Maratha students. It therefore requests the Government to give special facilities for the admission of Maratha students to such schools.

Resolution No. 6.

That this Conference requests the Government and the Native States to give Primary Education to the children of the Agricultural Classes specially adapted to the profession of their parents and in hours that will suit them.

Resolution No. 7.

That this Conference is of opinion that by giving the post of Deputy and Assistant Deputy Educational Inspectors to the members of the backward community, will facilitate the spread of education among the masses. It requests the Government to appoint at least one Maratha Deputy Educational Inspector and one Maratha Assistant Deputy Educational Inspector in each Division of the Presidency (Northern, Southern and Central.)

Resolution No. 15.

That this Conference offers its best thanks to the District and other Local officers, to whom the whole success of the Conference is due to their willing assistance.

Resolution No. 16

That this Conference offers its best thanks to the officers of the Agricultural Department for their holding Agricultural demonstrations and lectures during Conference Sessions and for giving very valuable help to it.
