The Director of Public Instruction,
Madras.

Sir,

I am desired by the Committee to ask if Government will be pleased, as a temporary war measure, to sanction the employment of 3 lady teachers for the junior standards of the Boys' Branch on Rs.100/- per mensem each, in lieu of 2 junior masters on Rs.150/- each. This involves no change in the budget allotment as sanctioned by Government for the year.

1-7 of G.O. No. 30621
6-3-17

2. The full sanctioned staff^{of the} upper school of the Boys' Branch is, as^{has} been pointed out by the Inspector, two teachers less than the minimum laid down by Article 17 (b) of the Code of Regulations of European Schools, as necessary for efficiency. Further 5 masters have left on war service, and masters are at present unobtainable - though 2 old boys of the school are undergoing training at Sanawar and should return here in December 1918. It is also possible that the staff may be further depleted by masters being called out under the Defence Act.

3. To carry on the work, the school has found it necessary to substitute lady teachers in the lower classes - but the numbers in the classes are too large for them to manage. Already this year one lady teacher has reverted

6 4

to the Girls' Branch as her health would not stand the strain, and the Medical Officer has informed the Principal that her successor also is not strong enough physically to do the work.

4. I have therefore the honour to request that Government may be pleased to approve of the proposal of the Committee in order that the teaching of the junior classes of the school may be arranged for as well as present circumstances will allow.

I have the honour to be,
Sir,
Your most obedient servant,

W. C. Woodhead

OFFICE OF THE

PRINCIPAL & SECRETARY,

LAWRENCE MEMORIAL SCHOOL,

LOVEDALE, NILGIRI HILLS,

20th March 1917.

My dear Harvey,

We have lost 5 of our masters to the army and have to fill up with lady teachers in the junior classes. There are over 40 boys in each of standards III & IV, and over 30 in standard II- and though the European Code says no teacher should have more than 30, yet it is possible, though of course undesirable, for a master to manage it. But a mistress cannot do so- and I suggested to the General that we might get in 3 lady teachers on Rs.100 per mensem each instead of 2 junior masters on Rs.150 per mensem each. This would mean no increase in the budget. The General thought that we were quite at liberty to do anything which we could at such a time, provided the budget was not exceeded. I am a little doubtful whether this would come under Rule 62- and should be so glad if you would tell me if the previous sanction of Government is required.

Rule

S.O. 21

Of course when we get the answer of Government regarding the taking over the school by the Government of Madras, the whole question of the staff will have to be considered- and this is simply a proposal to enable us to carry on for the time being.

As we have over 260 applicants waiting for admission, the Committee are very lothe to reduce the numbers at present.

Yours sincerely,

E.A. Harvey Esq: I.C.S.,

Proposals relating to Establishments or alterations in them always come up to Govt. for sanction - vide portion marked A on p 3 of notes with G.O. No. 320, d/ 29.4.08 and on p 9 of notes with G.O.
