provide every year for the expansion of elementary

during each of the next 10 years.

education. It is not known whether the Government of

India will be able to sanction ~~any further~~ recurring grants

for elementary education in future years ~~and to forecast~~

of the number of new schools that can be opened is

therefore possible.

2. The Additional Member apparently requires the

information in connection with a resolution proposed to

be moved by him at the ensuing ~~meeting of the Legislature~~ recommending the

constitution of a committee of officials and non-

officials to formulate a scheme for the expansion and

improvement of elementary education during the next ten

years.

The following draft answer is for approval:--

The

Home Department,
(Education).

No scheme for the expansion of ^{elementary} education during the next ten years has been drawn up. In the budget for 1917-18 there is a provision of 1.21 lakhs for opening new elementary schools and ^{strengthening} ~~improving~~ existing schools. This provision comes out of the incremental grant of two lakhs which the Government have agreed to provide every year for the expansion of elementary education. It is not known whether the Government of India will be able to sanction ^{any further} ~~any~~ recurring grants for elementary education in future years ^(and whether any Prov. assignments can be made in the response in coming years or not) ~~and~~ No forecast of the number of new schools that can be opened is therefore possible.

2. The Additional Member apparently requires the information in connection with a resolution proposed to be moved by him ~~at~~ the ensuing ^{meeting of the Legislative Council} ~~month~~ recommending the constitution of a committee of officials and non-officials to formulate a scheme for the expansion and improvement of elementary education during the next ten years.

3. The following draft answer is for approval:--

The

The final form of the question and answer is as follows:—

63 Q.—Will the Government be pleased to state how many elementary schools (a) for boys and (b) for girls are expected to be opened in the Presidency during each of the next ten years? Elementary schools for boys and girls to be opened in the Presidency during the next ten years.

63 A.—The number of new schools that can be opened in a year depends on the funds available; and in the absence of any definite information on the latter point, no forecast of the number of schools to be opened is possible.
