SENATE HOUSE, 25 APR 1917

Enclosures.

FROM

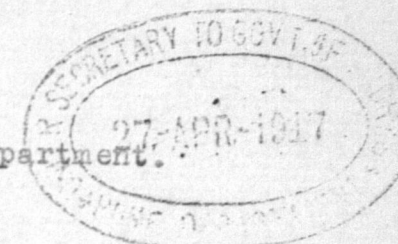

FRANCIS DEWSBURY Esq., B.A., LL.B.,

Registrar, University of Madras,

TO

THE SECRETARY TO GOVERNMENT,

Home (Education) Department.

Sir,

With reference to the Government of India (University) scholarship, I have the honour to inquire, for the information of the Syndicate, whether a native born in a Native State will become eligible for the scholarship on naturalization as a British subject.

A candidate for the scholarship is Mr. P.J. Thomas who was born in the State of Travancore. He received his education at St. Joseph's College, Trichinopoly and passed the B.A. (Honours) Degree Examination, 1916, first in the first class in History and Economics. He submitted an application for the scholarship on the 14th March 1917, in which he stated that he would submit proof that he was a statutory native of India. He subsequently produced a certificate of naturalization dated 29th March 1917 and a further certificate of having taken the oath of allegiance on the 2nd April 1917. The Syndicate will consider his claims for the Government of India Scholarship at its meeting to be held on the 1st May next. I have therefore to ask for an immediate reply as to whether this candidate fulfils the conditions of being a statutory native of India for the purposes of the Government of India Scholarship Rules.

I have

I have the honour to be,

Sir,

Your most obedient servant,

Francis O'Rourke
