Sir,

With reference to your letter No. 12763-C, dated the 20th December 1916, I am directed to state that Messrs. Gordon Woodroffe and Co. are unable to specify the actual storage, insurance and other charges incurred by them on the dye ~~was~~ stuffs landed at Madras ~~ex~~ s.s. 'Parenefeld' from the date on which the auction of the dyes was originally to have taken place to the actual date of sale but they claim a sum of Rs. 2565-8-2 as proportionate charges for the period in question. I am to enquire whether the Government of India agree to the payment of ~~the~~ this amount to the firm. It is presumed that the charges will be met from Imperial funds agreeably to the instructions issued in Mr. Lindsay's letter No. 17030-W, dated the 2nd December 1915.

Subject.- Storage, insurance and other charges incurred on the dyes ex s.s. "Barenfels".

From the Govt. of India, No. 126730, d/ the 20-12-1916
From the Officer in charge of the Dept. of Industries No. 72, dated the 18th January 1917.

Register Nos. 4821/16 & 186/17.

The Government of India have directed that steps should be taken to refund to Messrs. Gordon Woodroffe and Co. Madras, the amount of storage, insurance and other charges incurred on the consignment of dyes ex s.s. 'Barenfels' from the date on which the auction of the dyes was originally to have taken place to the actual date of sale. Messrs. Gordon Woodroffe and Co. are unable to give figures of the actual expenditure so incurred but state that the proportionate storage and other charges incurred on the consignment consequent on the postponement of sale at the instance of the Government amount to Rs. 2,565-9-2. Before orders issue, it appears desirable to obtain the consent of the Govt. of India to the payment of this amount.

Page 44 CF

2. In connection with the original scheme for the purchase of the dyes by Government and their sale subsequently to bona fide dyers in this Presidency, the Govt. of India directed that the expenditure should be shown under a 'suspense' account and that when the operations had been completed the net outstanding should be passed on to the Comptroller, India Treasuries, for final adjustment under the Miscellaneous head XXV or 32 according as there was a profit or loss on the transactions. The original scheme was however not adopted and the dyes were finally sold in auction.
