Imperial Council Interpellation re no. of villages with schools in the Presidency

The fact that the information as regards the number of villages with a population of over 2000, of those of them with schools, has to be called for from inspecting officers does not, I submit, constitute a sufficient ground for not obtaining it & furnishing it to India. They don't give us any option and the information asked for is not of a complex character difficult to collect. We may ask the D.P.D. to call for it very urgently & furnish it to Govt.
