/Through the Accountant-General, Madras/.

Sir,

I have the honour to request that you will be so good
as to obtain the sanction of Government for the opening, with
effect from 1st June 1917, of a Government Elementary School
for boys at Edira in the Nugur Talug, ^{of the} Godavari Agency and for
the employment therein of a teacher on Rs.15 per mensem, if
trained or on Rs.10 per mensem, if untrained.

2. The Revenue Divisional Officer, Bhadrachalam, states
that Edira is a big Koya village on the banks of the Godavari
and is a regular halting place for touring officials, that

2.

when he was there in October last the patel of the village expressed a wish to have a school which would provide for the education of the children of school-going age in that village numbering 37 and in the adjacent village of Yekavarigudem numbering about 10 and that the villagers are so keen about the provision of education for their children that they are even prepared to erect a house for it at their expense if a school is started. He therefore proposes the opening of a Government School at Edira which ^{as} already stated is likely to be constantly visited by touring officials. The Government Agent, Godavari, recommends the proposal and the Inspector of Schools, I Circle, supports it, but while both the officers consider that a pay of Rs.15 is necessary for a trained teacher, the former suggests Rs.12 for an untrained man and the latter Rs.10 only. I am in favour of the rates proposed by the Inspector.

3. The extra charge during the next official year is not likely to exceed Rs.135 for meeting which I shall submit a reappropriation statement on receipt of the final issue of the Civil Budget Estimates.

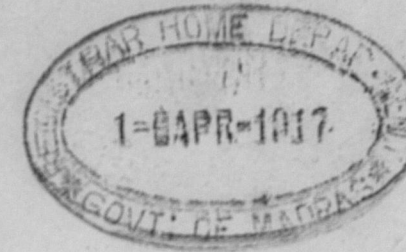

I have the honour to be,
Sir,

Your most obedient Servant,

G. V. Subramanian
for Director of Public Instruction.
