D No. 171

Station Madras, Dated the 20th March 1917.

From (Name) M.R.Ry. Rao Sahab H. Krishna Sastri Avl., B.A.

(Designation) Assistant Archaeological Superintendent
for Epigraphy, Southern Circle.

To The Secretary to the Government of Madras,

Home (Education) Department.

Through the Accountant-General, Madras.

Madras.

Sir,

I beg to submit that consequent upon the resignation
of Mr. Raja Rao, the place of the Kanarese Epigraphical
student became permanently vacant from 13th November 1915
and it was only on the 1st February 1917 that I was able to
fill it up. The office was short handed and I had to put
in, as a temporary measure, my camp clerk on Rs. 30-3/2-45
to act as sub. pro tem Kanarese Epigraphical student on
Rs. 50/-, the minimum salary of the appointment as it was
then constituted. His acting period has ceased from the
2nd February 1917.

In G.O. No. 1008, Public. dated 24/3/17

2

Government fixed the starting pay of the Epigraphical student at Rs. 75/-, per mensem from the date of their confirmation but stipulated that while on probation they will draw only Rs. 50/-. Now the clerk has applied to me for permission to draw arrears of pay ^{from the date of the G.O.} at the rate of Rs. 75/-, a month on the ground that the actual salary of the appointment as revised by the Government Order was Rs. 75/-. I referred the question to the Accountant-General who seems to be of opinion that "the appointment of Epigraphical student cannot be treated as ordinary clerical appointments and the clerk should not have been appointed to act as Kanarese Epigraphical student" (vide copy of his letter No. Try. P.A. 22283, dated 16th March 1917). I do not find in the Civil Service Regulations any rule precluding me from making such temporary arrangements for short periods by giving a lift to the next junior and by appointing an outsider for the last place. I beg to request that the Government will be pleased to sanction the appointment of the clerk as acting Kanarese Epigraphical student with full pay (Rs. 75/-) as a special case during the portion of the acting period from 24th May 1916 to 1st February 1917.

I have the honour to be,

Sir,

Your most obedient servant,

H. Krishna Sastri.

Asstt. Archl. Supdt. for Epigraphy.

With reference to your letter No. D. 110, dated the 27th February 1917, I have the honour to state that the appointments of Epigraphical students cannot be treated as ordinary clerical appointments and the clerk should not have been appointed to act as the Kanarese Epigraphical student, unless it was the intention to appoint him to the post either permanently or on probation. The sanction of Government should, therefore, be obtained for the appointment of an additional clerk on Rs. 50/-, in the place of the Kanarese Epigraphical student for the period during which the clerk was appointed to act as the Epigraphical student.

I would also request you to inform me the exact date from which the clerk was appointed to act as the Kanarese Epigraphical student.

ENCLOSURES: 2

Forwarded.

The Government Orders Nos. 636 dated the 26th May 1914

(Y) and 1008 dated the 24th May 1916 sanctioning the studentships have been interpreted to mean that they are not intended as additional clerical appointments to which acting promotions of clerks in the office of Assistant Archaeological Superintendent for Epigraphy could be made for strengthening the the clerical staff. If the intention is, however, otherwise the objection will be withdrawn.

Le. 1694, from the A. A. S. for Epigraphy, No. 17.

d) the 20th March 1917.

Subject:- Amount of pay to the clerk who acted as epigraphical student in the office of the A. A. S. for Epigraphy.

The question for consideration is whether the A. A. S. for Epigraphy can fill up acting vacancies in epigraphical studentships & also among the members of the clerical establishment in his office.

A. G. is not on p. 4 e. f.

The A. G. is inclined to answer it in the negative.

He is of opinion that the studentships are special appointments and that they are not intended as additional clerical appointments to which acting promotions of clerks in the A. A. S.'s office could be made for strengthening the clerical staff. In regard to the duties of these students

Mr. Macdonald has stated in para 3 of his letter printed on page 3 of G. C.

No. 568 Puli, d) the 13th May 1912 Stated

gradually trained in the work of publishing epigraphical records while the two juniors would be engaged with the collection assistant in exploring the country (for epigraphical finds) in the following order of urgency:—

- "(1) temples reported by the Arch.
- "Suppl: and Dist: officers or private individuals to be actually under repair or about to be pulled down for removal;
- "(2) villages where importance is departmentally recognized in the course of research work; and
- "(3) villages of such date, in order, excluding those coming under item (1) and (2) as given in Mr. Sewall's 'list of antiquities', Vol. I, together with those reported to contain inscriptions from local antiquity."

The above description of the nature of epigraphical student work seems to justify the A. G.'s view that their appointments are special; and further these appointments are generally filled by direct

have to bind themselves to serve in that capacity for a period of five years - vide G.O. No. 12 Home. No. 1/10 7th Aug: 1916. In this view it may be desirable to allow acting appointments to be made in the manner suggested by the A.A.S. as the conditions of the Epigraphical office are however special, consisting, as it does, of only a limited establishment and as short vacancies in the studentships are liable to occur frequently by the permanent incumbents being away on leave or otherwise which, if left unfilled, may seriously upset the ^{normal} work in the office. It is for consideration whether the A.A.S.'s request may be complied with. The clerical establishment in the office who may or may not have gained experience in the special work of the students would also be competent to do the work ^{during} the latter's absence.

[A separate telephonic message from the A.A.S. on the subject will be forwarded on.]

Epigraphical students have allotted
 to them a portion of the regular work
 of the departt. They have been
 regarded as assistants; in fact
 the designation of ~~two~~ "students" was
 proposed by the A.A.S. for Epigraphy
 for two of the Collection assistants
~~proposed by Goot.~~ whose appointment
 was proposed by Goot. in 1912. Thus
 on the regular working of the
 students depends in an appreciable
 measure the efficiency of the
 departt. It accordingly becomes
 imperative for the A.A.S. to keep
 the posts filled. If he cannot
 do so in the case of short
 vacancies owing to the dearth
 of ~~qualified~~ candidates qualify-
 ing the educational tests pre-
 scribed, we need not, I submit, object
 to his filling the places by postulat-
 ing to them persons from his own
 Establishment, who in his
 opinion are competent to ca-
 on the work of the "student" in
 view of their experience of the
 working of the departt. They
 should be only in Special C,

G. does not press the objection. 8th by issue

For the Asst. Secy.

The pay for the class of officers now known as Epigraphical students, was Rs 50 p.m. prior to 1909 and it was raised to Rs 50-5-75 in G.O. 265 Pub. & 15-4-09. These officers were prior to 1909 designated as 'Sub. Assistant Superintendents'; and it will be seen from the note of Mr. Venkayya, Epigraphist to the Govt. of India, on page 2 of notes to G.O. 265 Pub. & 15-4-09 that the duties of these officers are quite different from those 'in charge of the routine work of the office'. This rate of pay was in 1916 fixed as follows:-

Rs 50 during the period of probation which ordinarily extends to one year (cf. G.O. 636 Pub. & 26-5-16).

Rs 75 after confirmation.

Rs 100-5-125 after 5 years of approved service.

From pages 2-3 of G.O. 1008 Pub. & 24-5-16, it will be seen that the object of fixing this rate was to obtain a suitable class of officers, e.g. graduates strong in vernacular, who would be capable of undertaking the responsible ~~work~~ work attached to the appointments. The Asst. Genl. is, it is submitted, therefore quite correct in holding the view set out on pages 3 and 4 cf. If persons holding

ordinarily clerical appointments in the Epigraphists office are to be appointed to the posts of Epigraphical students, the object for which the Govt. fixed the pay so highly in 1912 will be defeated.

2. Please see, however, Home Dept. Register note and Home Secy's note on pages 4-5 ante. in which it is proposed to authorize the Asst. Arch. Supdt. for Epigraphy in special cases when bona fide attempts to secure the services of qualified men for ~~vacancies~~ ^{the} vacancies fail, to fill the posts by the clerks of his office. The question how the vacant posts are to be filled in such times of emergency is, it is submitted, an administrative matter and this dept. need not object to the proposal of Home Dept.

The question of the emoluments to be allowed to such clerks who temporarily fill the Epigraphical students' posts has, however, a financial aspect and this dept. cannot, it is submitted, agree to the principle of remunerating these clerks, who are not really qualified for these posts, at the high rates of pay (Rs 75) which were specially fixed so as to secure qualified men for the posts. The case seems to be analogous, more or less,

In view of the objection taken by the Financial Department on the previous page in regard to the pay of the acting Kanarese Epigraphical student, it is for consideration whether, as suggested by Financial, his pay may be regulated by the old rate of Rs 50-5-75 instead of Rs 75 p.m. Subject to orders, a revised draft order is submitted for approval.
