With reference to your G.O.No. 363-M-Mis dated the 27th ultimo, I have the honor to state that the council feels grateful for the consideration given to its request to increase the grants allotted to the Town Elementary school and to the Mahamadan school and feels sure that the Director of Public Instruction will comply with its request in distributing the sum of Rs. 1,00,000/- provided in the Civil Budget. The contractor completed the construction of the Town Elementary school in April last and a sum of Rs. 1,056/- due to him, still remains unpaid. The contractor has now put in a petition for the immediate payment of that sum of Rs. 1,056/- This petition was placed before the council for consideration

The council has at its meeting dated the 24th instant resolved to address the Government to permit them to pay off this dues from the grant of Rs. 5,000/- allotted for the construction of a mahamadan school and to recoup it when the additional grant is received as advised in the G.O. under reference (vide Res. No. 293 dated the 24th March 1917). I therefore request that you will be pleased to obtain sanction of the Government for the appropriation of this amount from the allotment made for the construction of a Mahamadan school, which is not likely to be spent for some months to come as the site for it is not yet been acquired and handed over by the Revenue authorities.

I have the honor to be,

Sir,

Your most obedient servant,

V. V. Vijayaraghavachariar
Chairman.
