Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Home (Education) Department.
Dated—Madras, the 12th March 1917.
No.—Ref. on C. 9856 of 1916.

In continuation of my letter R.C. No. 9856 of 1916, dated 27th February 1917, I have the honour to submit herewith detailed plans and estimates relating to the sanitary fittings in connection with the hostel for the Women's Christian College, Madras, and to recommend that a grant not exceeding one-half of the estimated cost may be sanctioned.

2. A copy of letter No. 1152/1083-S, dated 6th March 1917, from Messrs. Richardson & Cruddas to whom it is proposed to entrust the work is also enclosed.

ENCLOSURE

Letter—from Messrs. RICHARDSON & CRUDDAS, Madras.
To—the Director of Public Instruction.
Dated—the 6th March 1917.
No.—1152/1083-S.

We have pleasure in handing you herewith a detailed estimate, in duplicate, for the proposed installation of sanitary fittings, drainage and water-supply for the Women's Christian College Hostel, College Road, Madras, showing how we arrived at the summarised total of Rs. 15,485 given in our letter No. 247/S. of the 10th January last.

We also return the two blue prints you sent us on which we have shown in red the proposals covered by the above estimate which we trust will be found in order. This estimate constitutes a firm tender for the works involved at present prices, but owing to the increasing difficulties of obtaining materials and the continued advance in costs, the rates quoted must be considered as subject to market fluctuations. We are, however, prepared to adhere to the prices quoted in this estimate for the period of one month from date in case the authorities concerned should consider it expedient to place the order now.

III

Note by the Chief Engineer, Public Works Department, No. 2-D, dated 17th April 1917.

The Director of Public Instruction submits three plans bearing D.P.I. Nos. 200A, 200B and 200C and detailed estimates amounting to Rs. 1,35,085 for a grant-in-aid towards the cost of constructing a hostel for the Women's Christian College, Madras.

The particulars of the estimates are as follows:—

	RS.
(a) Main building (three storied)	1,19,600
(b) Sanitary fittings	5,235
(c) Soil and waste pipes	3,100
(d) Drainage	1,950
(e) Sewage disposal plant	1,800
(f) Water-supply	3,400
Total	1,35,085

2. The plans and estimates have been scrutinized in the Chief Engineer's office and the following alterations carried out—

- (1) Altering where necessary the sizes of rolled steel girders and cast iron columns.
- (2) Providing stone bases for columns only instead of for the full length of the wall (34' 0") of the students' common room.
- (3) Enlarging the bath-rooms for the provision of windows (as shown on the flaps attached to the plans) as they would otherwise be badly lighted.
- (4) Reducing the amount provided for unforeseen works from Rs. 4,645 to Rs. 4,035.

The total amount of the estimates remains unaffected by these alterations.

3. There is not sufficient headway for the stairs over the landings marked X X. A more satisfactory arrangement would be as shown on flaps attached to the plans.

4. The store-rooms marked S S have no light or ventilation. It is recommended that gauze wire ventilators be provided over the doors.

5. In the report accompanying the estimate, it is stated that the walls would be constructed in cement mortar in all places where the pressure exceeds 4 tons per square foot; but no special provision is made for this purpose in the estimate. The additional cost may be met from the provision for unforeseen works.

6. Only one section, i.e., on A B, is furnished. Sections in other places showing more details have not been submitted.

7. Details showing the sizes of bricks and reinforcement, etc., for Kleine floor and roofs have not been given.

8. The Superintending Engineer should satisfy himself as to the suitability of the foundations and the strength of Kleine floors and roofs.

9. With these remarks the plans and estimates as altered in the Chief Engineer's office, the latter aggregating Rs. 1,35,085, are recommended for approval.

S. B. MURRAY,
Chief Engineer, P.W.D.

NOTES CONNECTED WITH G.O. No. 598, HOME (EDUCATION),
DATED THE 6TH MAY 1917

[SUBJECT.—A half grant of Rs. 59,800 towards a hostel for the Women's Christian College.]

HOME (EDUCATION) DEPARTMENT.

From the Director of Public Instruction, dated the 27th February 1917,
R.C. No. 9856.

Attention is requested to the notes recorded in G.O. No. 548, Educational, dated the 18th May 1916. It is seen from page 8 thereof that the Women's Christian College authorities were informed that when the present financial stringency caused by the war was relaxed, the claims to grants-in-aid of the Women's Christian College would be dealt with in the same manner as those of other colleges under private management.

2. Since then, the Director of Public Instruction has been authorised in Demi-official No. 2199-3, Home (Education), dated the 28th August 1916 [page 9 of notes with G.O. No. 1182, dated 13th November 1916], to incur liabilities up to four lakhs in respect of building grants to non-European schools and grants have been sanctioned towards hostel schemes—vide G.O. Nos. 130 and 131, dated the 5th February 1917.

3. The plans and estimates for a hostel for the Women's Christian College may be sent to the Public Works Department for scrutiny in the first instance.

Submitted that a half grant of Rs. 67,542 may be sanctioned as recommended by the Director of Public Instruction. It will be met from the provision of Rupees 96,000 for hostels under "22-G. Education—Grants-in-aid" in the Civil Budget Estimate for 1917-18, if the grant becomes payable in the current year.

2. A draft order is submitted for approval.

T.K.—20-4-17.

C. RAMANUJA ACHARIYAR—25-4-17.

The amount asked for is Rs. 67,542 out of a total budget provision of Rupees 96,000.

His Excellency for favour of orders.

R. RAMACHANDRA RAO—26-4-17.

Please ask Director of Public Instruction to discuss this when he next comes.
I see no objection.

I am bound to say that while I willingly endorse this application it would be only fair to the other college at the same time: and it is really more urgent—to provide it with science buildings—that is to say the central block: and it would in the end be much cheaper to do this now, when building operations are going on already.

P[ENTLAND]—27-4-17.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

I am taking action in accordance with His Excellency's note.

J. H. Stone—30-4-17.

HOME (EDUCATION) DEPARTMENT.

See His Excellency's orders above. Sanction.

Also demi-official to the Director of Public Instruction (I note however he has already seen the note).

R.R.—1-5-17.

The draft order below is submitted for approval.

2. The following demi-official may be sent to Mr. Stone:—

Demi-official—from the Hon'ble Diwan Bahadur R. RAMACHANDRA RAO,
Secretary to Government, Home (Education) Department.

To—the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.L.E., Director of Public Instruction.

Dated—the 5th May 1917.

No.—966A-2.

In passing orders on the application of the Women's Christian College, Madras, for a grant in aid of constructing a hostel, His Excellency the Governor observed that it would be only fair to the Madras College for Women at the same time (and it is really more urgent) to provide it with science buildings and that it would in the end be cheaper to do this now, when building operations are going on already.

Will you kindly take early steps to carry out His Excellency's wishes in the matter?
