The Hon'ble Mr. J. H. Stone, C.I.E., M.A., F.R.H.S.,
Director of Public Instruction,
M a d r a s

Sir,

With reference to your Proceedings Ref. on C. No 9856 of 1916, dated the 11th December 1916 and in continuation of my previous letters on the subject, I have the honour to submit herewith for your consideration detailed lists of Science apparatus and Supplies (Six in number). I regret that these lists could not be submitted earlier in spite of all our efforts and that we may not be able to submit the furniture list for a week or two.

The total cost of the furniture apparatus is estimated at Rs. 10,378; but this estimate is only provisional and approximate, as owing to war conditions it is not possible to give any accurate estimates. In preparing the lists care has been taken to include only quite necessary apparatus and supplies and efforts are being taken to get the articles purchased at the lowest rate possible. Nevertheless, the estimates are to be taken only as approximate.

I trust that the lists are quite clear and intelligible; the Science Professors of this College will be glad to furnish any explanations which may be necessary.

I have the honour to be,
Sir,
Your most obedient servant,

Eleanor M^{rs} Dougall
