Station Madras, Dated the March 1917

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.E.S., C.I.E.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME (EDUCATION)

Department.

Sir,

With reference to the enclosed correspondence regarding an application for furlough received from Miss R. McLeod, Lecturer on Kindergarten, Teachers' College, Saidapet, and acting Superintendent of the Presidency Training School for Mistresses, Madras, I have the honour to recommend that she be granted furlough for the period certified to by the Accountant General viz., one year, two months and 19 days, in continuation of the ensuing summer vacation of the school and that arrangements be made for the grant of a passport as requested by her.

2. In

2. In this connection, I beg to invite the attention of Government to their order No.596 Educational, Mis., dated 31st May 1916 and to recommend also that, in the circumstances of her case as explained in my letter R.C.No.6067/15 dated 22nd January 1916, the benefit of the European Service Leave Rules be held applicable to her with retrospective effect from the date of her joining the post of Lecturer on Kindergarten, Teachers' College, Saidapet, instead of from 22nd May 1916 only as stated by the Accountant-General, which is the date of the orders of the Government of India referred to in the G.O. quoted above.

I have the honour to be,

Sir,

Your most obedient servant,

G. W. S. S. S.

for Director of Public Instruction.

V.R

Copy of letter No.R.C.170 of 1916 dated 23rd January 1917 from Miss McLeod, Ag: Superintendent, Presidency Training School for Mistresses.

I have the honour to request you to be so good as to recommend that my leave be granted in July of this year. I shall then have nearly finished my ninth year of continuous service.

2. I have the honour further to request that in settling the question of my leave allowance you will be so good as to decide the question of my confirmation in this appointment so as to fix this allowance at the maximum available. Otherwise my leave salary under present conditions will scarcely meet living expenses in Scotland.

Copy of Miss. McLeod's letter dated 2-2-1917.

In reply to Progs. R.O.C.No.620 of 1917 dated 1-2-17, I have the honour to request that you will be so good as to grant me (1) furlough out of India (Vide G.O.No.596 Educational Mis., dated 31st May 1916, (2) for the maximum period available (i.e. two years, if possible, from the date of relief), (3) from July 3rd in continuation of the summer vacation of this school; that is to say with permission to leave India on May 1st (probable date of closing of school for summer vacation) (4) for the reasons that (a) I am now in my ninth year of continuous service in India and (b) I am therefore physically and mentally in need of rest out of India (Ref. Major Elwes I.M.S. if necessary)

I have the honour to request that in determining my leave allowances regard be paid to the fact that the question of my confirmation in this present appointment is now under your consideration.

P.T.O.

Miss. McLeod's letter R.C.No.170 of 16 dated 26-2-17.

I have the honour to request that you will be so good as to procure for me a passport from India to Scotland, through the Mediterranean, in May of this year, so that I may avail myself of the leave granted in your proceedings R.C.No.620 of 1917 dated 16th February 1917. (The passport was refused by the G.O. 166 Pub. 14-3-17) (G)

My reason for requesting a passport even under the present G.O. relating to women and children is, in brief, that my position is altogether exceptional, in that I am a woman in my ninth year of continuous service in India.

Although I am not in "exceptionally urgent" ill-health (vide Major Elwe's letter enclosed) at the present moment, for sometime past I have been conscious that I am thoroughly tired and have been suffering from the various effects of nervous tiredness which Major Elwe ascribes to a kind of Neurasthenia due to too long residence out of Europe.

My leave was due last year but could not be granted then.

If however the granting of a passport to Scotland is still impossible, I have the honour to request you to be so good as to cancel the date of commencement of my leave--July 3rd-- and to leave it unfixed until a passport is available.

CERTIFICATE OF LEAVE.

Miss R.McLeod will on 3-7-1917 be eligible for furlough without medical certificate for 1 year 2 months and 19 days in continuation of the summer vacation of the Presidency Training School for Mistresses under articles 305 and 308 (b) Civil Service Regulations.

Copy of letter from the Accountant General, No.G.A.60-21204 dated 27th February 1917.

With reference to your Ref.on C.No.620 of 1917 dated the 21st February 1917, I have the honour to state that as the post of "Lecturer in Kindergarten, Teachers' College" does not appear in the list printed as 297 (d) or (e) Civil Service Regulations the calculations in article 305, Civil Service Regulations cannot be reckoned with effect from the date of Miss McLeod's appointment to that post. As she was allowed the benefit of the European service leave rules only as a personal concession under article 297 (f) Civil Service Regulations, she can be considered to have passed on from the Indian service to the European service leave rules from 22nd May 1916 (the date of orders of the Government of India in her case) and not with retrospective effect, in the absence of definite orders to the latter effect.

2. The enclosures are herewith returned.

Dear Miss McLeod,

did
Yes, I certainly/recommend you to go to
Europe on leave when you sent in your application before the
new order relating to women and children came in and I am
still of the opinion that leave to Europe is desirable for
you though I cannot say that health reasons are exceptionally
urgent at present in your case. You are welcome to attach
this letter to any application you make for a passport.

Yours sincerely

OFFICE NOTE.

SUBJECT.

Miss MacLeod's application for leave

From the D.P.D. no 620/17 of the 7.3.17

Register No. 1137 E!

Miss MacLeod had separately, applied through the Commissioners of Police for a passport and was told that the reasons advanced by her were not sufficient to justify permission being granted to her to proceed to Scotland - Vide G.O. 268 Home (Mis) of the 14.3.17 - In her letter to the D.P.D. of the 26.2.17 on p. 4 C.F. she requested that if the passport was not available the date of commencement of her leave might be left unfixed ^{however} until a passport could be granted. Under article 840 C.S.R. leave must begin, unless specially otherwise ordered, within thirty five days of the date on which it is granted. Further since it cannot be definitely said when a passport will be available, it may not be advisable to grant leave with effect from the date when one is available. ~~In the circumstances it is proposed to stop the leave until the passport is granted. It is suggested that the leave should be granted from the date of the passport.~~

2. The A.G. in his letter to the D.P.D. on p. 5 C.F.

States that the calculations in article 305 C.S.R. cannot be reckoned with effect from the date of Miss MacLeod's appointment to the post of "Lecturer in Kindergarten" ~~because~~ the post has not been included in the list of appointments (printed as article 297 (a) (2) C.S.R.) to which European Service Leave rules are applicable. The D.P. however considers that the concession should be allowed from the date of her appointment and not from the date of the order of the Govt. of India (22nd May 1916) admitting her to the benefits of the European Service Leave rules. This question may be taken up for consideration after it is settled whether Miss MacLeod should be granted leave at present. He may have to consult Sir.

3. The file may be sent to the D.P. (with reference to para 1 above) for perusal. The leave cannot abnormally be now granted.

In view of her not being posted & posted to home, will D.P. say whether Miss MacLeod still asks for leave?

D.P. no. 101044-4-17 20.3.17

Miss MacLeod does not want her leave till she can be posted up again.

NOTES.

It is not clear on what aspect of the case "the remarks of financial Dept." are invited. The constitution of the A. S. is correct, and financial is not in a position to say whether it was the intention of the Govt of India that Miss Madan should be admitted to the European Service rules with retrospective effect. ~~However.~~ ~~particular however made made.~~ ~~finite recommendation~~ All that financial can say is that whatever might have been the intention of the Govt. of I. the A.S. is not likely to pass retrospective effect without further orders.

The Financial Department state that the view of the A.G. is correct and that he is not likely to pass retrospective effect without further orders. For it is for consideration whether the Govt. of India should be addressed for retrospective sanction and if so whether the application should be made now or when Mrs Macleod renews her leave application.
