Copy of communication No. 1724-G1 of 16, dated 10th December 16, of the President, Taluk Board, Saidapet, to the President, District Board, Saidapet

(21) Adverting to your foot-note Dis.No.106-L-D. of 16, dated 11th February 1916, communicating copy of G.O.No.1353-Edl., dated 8th December 1915, sanctioning the opening of a girls school at Manimangalam, I have the honour to state that the opening of a school there has been deferred so long by the Educational authorities with a view to make fresh proposals for the opening of the school some where other than at Manimangalam. It is reported that there are already two schools in the village and another school in the same place will not be in any way advantageous to the Manimangalam villagers. The Inspectress of Girls' schools, Central Circle recommends that the school might be opened at Tiruvettiyur where no school for girls is said to exist. The Taluk Board have also in their Resolution No.10 dated 2nd December 1916, sanctioned the transfer of the provision made for the opening of a girls school at Manimangalam to the opening of a girls school at Tiruvettiyur. I enclose a copy of the resolution. I request that you will be so good as to obtain the sanction of Government if necessary.

In C.O. No. 621 d., dated 26th April 1917,
orders have been passed empowering local

boards to close or transfer schools opened with the aid of subsidies from Provincial funds provided that the previous consent of the Inspector of Schools is obtained to the proposal (2) that no additional expenditure is caused to Government thereby and (3) that the local board reports its action to Government immediately in order that any consequential adjustment in the Provincial subsidy that may be necessary may be carried out. The present proposal to open a school at Trinettiyer instead of at Manimangalam has been recommended by the Inspector of Schools and it is not stated that the proposal will involve any additional extra expenditure. The proposal will therefore seem to be open to no objection. In view of the delegation of powers made in the C.O. quoted above it is for consideration whether the papers may be recorded with reference to this order (No. 6312 D. 24. 4-17).

(10)

This refers to the transfer of schools already opened with the aid of the Govt. subsidy. The present case relates to the opening of a school at a place different from that for which the grant was given. It is proposed.

Robt

the go is applicable to the present case also. & subsidies from Province.
