Subject.. Exemption from the above rules.

It is proposed to ^{permanently} exempt one

d. Gurumukh Raddi from the lowest Subordinate rank of the cadre of Engineering, Madras, with a view to his employment as a Sub-assistant in the P.W.D. No grounds have been urged in support of his application except the ^{fact} that he rendered the P.W.D. as draftsman (temporary) during the date of the reorganization of the drawing establishment, when ^{all} the draftsmen with the exception of the 24 brought in to the cadre of upper Subordinates came to be absorbed into the lower Subordinate cadre - vide appended to go.

(V) No. 201 W., d/ the 24th January 1914.

The late Engineer apparently agreed that had the applicant ^{held} ~~been~~ at the time of the above reorganization as

permanent post in the drawing staff,

he would have been exempted from his lastness in the Dept. work. But it is doubtful whether this would

constitute a valid ground for
 complying with the application ~~now~~
 It was only recently that the P.W.D.
 stated, in connection with an almost
 similar application from one Pichu
 Raju, that about 30 lower
 Subordinates who passed out of the
 Engineering College had not secured
 appointments, ~~that~~ that last year 60-70
 would probably pass next ^(April) year ~~and~~
^(next year and about the same number)
 about 80 of the year after that and that
 in the interests of the passed men
 applications for exemption should

not be ^(granted) ~~granted~~ ~~considered~~ of: p. 8 of
 Go. 186 Ed. II, d/ the 16th Feb. 1917.

2. It is for consideration
 whether, in the above circumstances,
 the case may not be referred
 back to the P.W.D. ~~being~~ asking
 them to state whether they would in the
 circumstances set forth in para. 1. above, still
 press the application for exemption.
