Sir,

In their order No. 1306 Educational, Mis., dated 30th November 1915 Government were pleased to sanction the grant of a local allowance to the staff of the Government Girls' School, Kollegal, in view of the unhealthiness of the locality and of the fact that two of the posts - one on Rs 12 and the other on Rs 10 - had been either vacant or filled by unqualified men all along and that the staff was deserving of some special consideration. In communicating the order to the Inspectress I asked her to report after a year the effect of the above arrangement in improving the staff and attendance

21/
of the school and she now states that the grant of the local allowance of Rs 2 per mensem to each of the members on the staff has effected no improvement, that the two assistants' posts on Rs 12 and Rs 10 still remain unfilled, and that the present rates of pay and local allowance are not sufficiently attractive. She therefore proposes a general revision of the scale of salaries and the grant of higher rates of local allowance to the staff.

2. The school now works with two teachers only and is understaffed as the present strength and average attendance which are respectively 118 and 91 in standards Infant to Fourth require a staff of four teachers. I am therefore inclined to agree with the Inspectress in thinking that the existing rates of pay and local allowance are not sufficiently attractive but I do not consider that a general revision of the scale of salaries of the staff is called for. I think that the grant of a somewhat higher rate of local allowance to the staff would meet the requirements and I have the honour accordingly to request that Government will be pleased to sanction the grant of an increased rate of local allowance of Rs 4 per mensem to the Headmaster and to each of the three assistants in the school with effect from the 1st May 1917.

3. The extra cost involved by the proposal will be Rs 8 per mensem or Rs 80/- during the current year for meeting which I shall submit a reappropriation statement on receipt of the final issue of the Civil Budget Estimate.

I have the honour to be,

Sir,

Your most obedient servant,

and the notes connected with it. In his letter disposed of in that G.O. the S.D.O. proposed an allowance of Rs. 4 to the headmaster and Rs. 2 each to the three assistants. The Financial Dept. then suggested that the allowance being given for the unhealthiness of the locality it should be uniform in all cases and fixed it at Rs. 2 per. The S.D.O. now explains that Rs. 2 has been inadequate to attract candidates for the assistants' posts at Rs. 12 and Rs. 10 and recommends that the allowance may be increased to Rs. 4 for all the four teachers. The S.D.O. has shown sufficient reasons for the increase proposed. Submitted that it may be sanctioned.

2. A draft order is submitted for approval. If approved, it may be forwarded to the Financial Department for acceptance.
