[Subject. Remuneration to Dr. N. D. H. Simonsen for the medical inspection of girls in the Corporation elementary schools.]

Please see extract from the report on the medical inspection flagged (I). Mrs Simonsen has examined 225 girls, while Lt. Col. Donovan has examined 420 boys. The remuneration proposed for the former (Rs. 200) seems rather high when compared with that paid to the latter (Rs. 500).

It is however, submitted that it may not be possible to ^{get} a qualified lady doctor for less than Rs. 200. This amount may therefore be accepted.

2. A draft order is submitted for approval. It may be sent to Financial for acceptance.
