Sir,

In continuation of my letter G.Cur. No. 124 dated

21-2-17, I have the honour to request that I may be
authorised to ask Messrs. Madely and Coats to examine the
Plumbing and Mechanical Engineering classes respectively
at the Government Trade School, and to offer them each
an honorarium of Rs. 60 for setting the papers plus Rs. 2
for each answer paper corrected. Both gentlemen have been
consulted informally and have agreed to these terms which
are very moderate seeing that the work involves not only
a practical and theoretical examination but also a
scrutiny of the note books kept and practical work done by
the students during the session.

The expenditure can be met from the provision
