Sir,

I have the honour to report that the Kellett and the Hindu High Schools in Triplicane are in want of a suitable play-ground and to request that you will be so good as to obtain the sanction of Government for the temporary use as a play-ground these institutions of the land between Lloyd's Road and the Glass Factory in Triplicane now in possession of the Madras College for Women, with reference to G.O. No. 1464 Educational dated 21st December 1914. I would state in this connection that the land in question is not needed for the Madras College for Women and that until it is required for some other purpose the two schools mentioned above may be permitted to use it for purposes of a play-ground.

Of the three institutions mentioned above, ~~these~~ the two high schools have greater claims for this site than the Wesley College which is situated in Royapettah, far off from the ground and which has already a fairly sufficient ground measuring $1\frac{3}{4}$ acres; please see entries against items 4, 7, + 44 on pages 2 to 4 of G.O. No. 1448. ED. of the 18th December 1914.

The proposals of the Director of Public Instruction may be approved. But it must be made perfectly clear in the draft that the land is liable to be resumed at any time if required for other purposes as it may be presently and at no distant date. The mere reference to paragraph 9 of G.O. 1448 Educl. dated 8th December 1914 is not sufficient for this purpose.
