Para 2 of the note of the D.P.F. dated 13.12.16 on page 4 ante :- On the budget for 1914-15, a total provision of 6 lakhs was entered for playgrounds to educational institutions (5 lakhs for institutions in the Madras city and one lakh for institutions in the mufassal). The expenditure on account of playgrounds is taken, in the pro forma account as coming out of the non-recurring grant of 49 lakhs given by the Govt of India in 1912-13 (this has merged in the Provincial balance) for expenditure on education during 1913-14 and subsequent years. The several items on which the total Imperial grant of 49 lakhs may be spent are given in para 116 of the Revised Financial Statement for 1915-16. One of the items is "educational hygiene, gymnasia, playgrounds, etc. 6 lakhs." The total expenditure which will be incurred

Please see the D.P.D.'s Statement on page 6 C. 7. relating to the expenditure from the Imperial non-recurring grant of 49 lakhs. Col: 2 of the Statement shows the distribution of the total grant of 49 lakhs among the eight items, as laid down by the Govt. of India.

From column 6 of the statement, it will be seen that the allotment of 6 lakhs for "item 1 - Colleges and Secondary schools and Training institutions" has been exceeded by 2.81 lakhs; and the allotment of 17 lakhs for "item 2 - Elementary schools" by .27 lakh. The excess expenditure amounting to (2.81 + .27 or) 3.08 lakhs in respect of these two items should consequently be taken against the grants for the remaining 6 items. The Home (Educn.) dept. may, it is submitted, be requested to be so good as to have this point settled in consultation with the D.P.D.

4. Item 7 - University (3 lakhs) The balance available is 1 lakh and this will have to be paid to the University later on when funds permit.

5.
