From (Name) The Hon. Mr. J. H. Stone? M.A. F.R.S.C.I.E

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education)

Department.

Sir,

With reference to G.O.No. 718 Edl., dated 30th
June 1916 passing orders on my letter C.No. 4178/16, dated
25th May 1916 regarding the reduction of certain statistical
tables appended to the annual educational reports, I have
the honour to submit, for the information of Government
the following proposals for the further curtailment of the
size of the Report on Public Instruction.

In the subsidiary tables appended to Volumes II
of the Report on Public Instruction for the last quinquennium
ending with 31st March 1912, and which formed the bulk of
the report, additional particulars in regard to wealth,

vide cde-80
to be a page 2nd by Sub-Dir. Table in report (Vol II) for 1911-12

condition, occupation, language and revaccination of pupils were supplied over and above those supplied in the ordinary annual educational reports. The totals of these figures appertaining to each of these particulars were also embodied in the supplemental statistics. In order to reduce the size of the Report further and in view of the recent orders of Government enjoining economy in stationery and printing, I propose to omit these particulars in the subsidiary tables to be appended to the Reports on Public Instruction for ^{the} ~~future~~ quinquenniums commencing from the quinquennium 1916-17.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Amie.

for Director of Public Instruction.

NOTES.

Home Education Department.

C.No. 2005 A, from the D.P.D., no. 2680 D 8.5.17

Subject. - Centralment of the size of the quinquennial report on education]

The particulars referred to by the Director are as regards individual institutions not generally required. If in any particular case they are ~~not~~ wanted, they can be obtained from the D.P.D.'s office. As pointed out by the Director the totals of these particulars already find a place in the supplemental statistics. There appears therefore to be no objection to the omission of the particulars. The statements containing these particulars are not required by the Govt. of India and are ~~not~~ intended only for local use. A draft order ~~according to the Director's letter~~ is submitted

In fact the D.P.D. proposed to adopt for the Quinquennial review the form now in use for the annual report
