No. I-40,

GOVERNMENT OF INDIA.

INDIAN MUNITIONS BOARD.

(Intelligence Branch)

Simla, the 12th May 1917.

From

R. D. Bell, Esquire, I. C. S.,

Controller, Industrial Intelligence,

Indian Munitions Board.

To

The Chief Secretary to the Government of Madras.

Sir,

I am directed by the Indian Munitions Board to inform you that orders may shortly be placed in India for a regular supply of coir hop-screening for use by the armies in France. It will be necessary to get the screening manufactured on the West Coast of the Madras Presidency and the Board is of the opinion that the supply would be most efficiently arranged through the Director of Industries, Madras Presidency. I am to enquire whether His Excellency the Governor in Council will permit the Board to send its instructions in the matter direct ~~at~~ to the Director of Industries. The duties expected of the Director are to advise the Board regarding the giving out of contracts, to see that material is supplied according to sample, and that it is delivered with ~~regularity~~ a regularity. The business is of simple nature and will not engage much of the Director's time.

2. I am to request that a reply to this letter may be sent by telegram.

I have the honour to be,
Sir,
Your most obedient servant,

R D Bell

Controller, Industrial Intelligence.

dated 19th May 1917, forwarding for remarks letter from
the Controller, Industrial Intelligence, Indian Munitions
Board No. 1-40 dated the 12th May, I have the honour to say
that for sometime past I have been in correspondence with
the Director-General of Commercial Intelligence and the
Munitions Board regarding hop-screening, and that I have
sent them up numerous tenders from West Coast firms for
the supply of this article. I see no objection to my
continuing to act on behalf of the Munitions Board in the
matter. It will properly mean periodical visits to Alleppy

and Cochin to pass supplies but these visits can easily be arranged.

I have the honour to be,

Sir,

Your most obedient servant,

C. Innes
