Sir,

The authorities of the C. B. M. High School at Vizagapatam, propose to acquire the private house and land lying between the school building and the playground, vide the enclosed sketch plan. The main school building is cut off from the playground by the existence of this private house and land and great inconvenience is thereby caused to the school. The attempts of the management to acquire them by private negotiations failed. They therefore request their acquisition under the Land Acquisition Act. The Collector of Vizagapatam estimates the cost of acquisition at Rs. 3,529/-, vide the enclosed valuation statement. I

Sir,

Adverting to Government endorsement No. 254-1 dated 23rd January 1917, forwarding for remarks the letter R.O. C.No. 7366 of 16 dated 18-1-17 of the Director of Public Instruction, Madras, I have the honor to state as follows:-

(1) The ownership of a portion of the house and site is in dispute. The contending claimants have, however, no objection to their acquisition under the Act.

(2) The Principal of the C.B.M. High School states that he found it difficult to purchase the house by private negotiation as the character of the parties is of a litigious and troublesome nature. Besides there are two claimants for the house and site referred to in para 1 disputing with each other for the ownership of a portion of the house and they are already engaged in Civil litigation. As the ownership of the house is in dispute and

and as the School authorities do not know from whom the property is to be purchased, I am of opinion that a valid and clear title to it cannot be secured otherwise than through the application of the Land Acquisition Act.

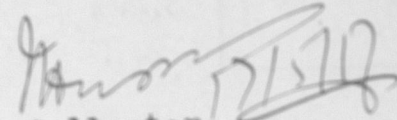

2. I therefore request that Government may be pleased to accord sanction for the acquisition of the land under the Act.

3. The three enclosures received with Government endorsement under reference are herewith resubmitted.

I have the honor to be,

Sir,

Your most obedient servant,

For Ag. Collector.
