MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.
/Through the Accountant-General, Madras/.

Sir,

(F) In their order No. 1430 Educational dated 16th December
1915 Government sanctioned the proposal to open a Lower
Elementary Training School for Muhammadans at Vellore,
since located at Arcot, for a period of three years from the
1st April 1916. The number of students now undergoing
training is reported to be 30 and the Inspector of European
and Training Schools requests sanction for the admission of
another batch of 30 students in the School in June next and
for the employment of an additional teacher for the charge
of the Class.

Fort St. George, the 23rd of May 1917.

Endt. No. N.A.3-2752

ENCLOSURES:

Forwarded.

The present scale of teachers has been checked and found correct.

There is no audit objection to the proposal being sanctioned.

It has since been ascertained from the Director of Public Instruction that the extra expenditure may be met from the savings in the lump provision of Rs.4,700/- for opening a Secondary School for Muhammadans at Trichinopoly under "22-Education-- Government Schools General--Secondary Schools for boys". It may be met from the source indicated with the sanction of Government.

Deputy Accountant General.

To

The Secretary to the Government of Madras,
Home (Education) Department.

2.

2. As the existing sanction for the continuance of the School lasts until the end of March 1919, I see no objection to the admission of a fresh batch of students in June next who will complete their training in March 1919.

3. The present staff of the School consists of a Headmaster on Rs.75 per mensem, an Assistant on Rs.40 and a Drill Instructor on Rs.20 per mensem and I agree with the Inspector in thinking that the employment of an additional Assistant will be necessary in case another batch of students is admitted since there will then be two classes as against only one during 1916-1917. The pay of the post should, I submit, be fixed at Rs.50 per mensem in view of the difficulty of securing qualified and competent Muhammadan teacher for Rs.40 and the appointment may, for the present, be temporary for a period of ten months from 1st July 1917. I have the honour accordingly to request that you will be so good as to obtain the sanction of Government for the employment of an additional Assistant on Rs.50 per mensem in the School for a period of ten months from the 1st July 1917.

4. The extra cost during the current year under salaries and stipends can be met from the savings in the Imperial grant of Rs.50,000/- for Muhammadan Education.

I have the honour to be,
Sir,

Your most obedient Servant,

for Director of Public Instruction.
