I

Letter from N. Macmichael Esq., I.C.S., Collector of Ganjam.

Dated 10th March 1917.

R.C.No. 504-

In G.O. No. 2586 Revenue, dated 5th Septr. 1914, Government have sanctioned two Minor Irrigation Overseers, one permanent and the other temporary, on a graded scale of

pay, viz., Rs. 60-2-100-vide B.P. No. 101 Revenue Sett., dated 21st April 1915.

2. The permanent Overseer's post is held by Abdul Jabbar who is attached to the Goomsur taluk and the temporary post by W.V. Sarma who is attached to the Chicacole taluk. Both of them are unqualified men.

3. In G.O. No. 652 Mis., Educational, dated 2nd June 1914, Abdul Jabbar was permanently exempted from the Upper Subordinate test on the understanding that the exemption shall apply only to this district and that it shall not entitle him to draw more than the minimum pay of the post, viz., Rs. 60.

4. The temporary Overseer attached to the Chicacole taluk was exempted for one year from passing the test, vide B.P. No. 53 Mis., R.S., dated 6-1-1916, but no restriction was made in his case that his pay should not exceed the minimum pay of Rs. 60.

5. For purposes of travelling allowance, Minor Irrigation Overseers fall under 3rd class officers, vide article 1002 C.S.R. They are entitled to daily allowance of Re. 1 calculated on the maximum pay of the post, viz., Rs. 100-vide article 1063 (iii) C.S.R.

6. Abdul Jabbar has been drawing a daily allowance of only 10 annas as the Treasury Deputy Collector considered that his pay having been fixed at the minimum rate of Rs. 60, his daily allowance should be calculated only on that ^{7th} account and not on the maximum pay of Rs. 100. The temporary overseer of Chicacole, however, has been drawing daily allowance of Re. 1 on the maximum pay of Rs. 100 as there is no restriction in his case.

7. The temporary Sub Overseers sanctioned for the district on a pay of Rs. 30-2-60 have been drawing a daily allowance of 10 annas calculated on the maximum pay of Rs. 60 although they have been drawing a minimum pay of Rs. 30. It is hard that Abdul Jabbar who is a permanent Overseer should only draw the same rate of daily allowance as a Sub Overseer.

8. The G.O. exempting Abdul Jabbar does not say that he should not draw daily allowance on the maximum pay of the post. Both the

Overseers' posts sanctioned for the district are progressive appointments under article 43 C.S.R. The mere fact that Abdul Jabbar was ordered not to draw more than Rs. 60 as long as he holds the post does not in my opinion convert the post into one on fixed pay. I consider therefore that he should get daily allowance of Re. 1 calculated on the maximum pay of Rs. 100 of the appointment. As the Treasury Deputy Collector considers that this is against the C.S.R., I have the honour to request that the Board may be pleased to sanction daily allowance of Re. 1 to Abdul Jabbar.

Letter from the Accountant-General, Madras.

Dated 2nd April 1917.

No. Ganj. 15-44.-

Reference thereon No. 760 dated 26th April 1917.

Submitted to Government.

2. The Accountant-General to whom the Collector's letter was referred for remarks states that though the daily allowance of an officer is calculated on the maximum pay of the appointment, the maximum and minimum pay of Minor Irrigation Overseer Abdul Jabbar Sahib is only Rs. 60 in view of the order of Government appointing him to the post and

that he is therefore entitled to a daily allowance of annas ten only.

3. The Board begs to enquire whether when passing their order No. 652, Educational, dated 2nd June 1914, it was recognised by Government that the order would limit the daily allowance of Abdul Jabbar Sahib to annas ten and, if not, whether it will not be desirable to reconsider that order with a view to place the Overseer in a condition to draw a daily allowance of Rupee one.

To Under Secretary

In fo. 652 Educational of 2.6.1914.

P.S. Abdul Jabbar was permanently
exempted from the Upper Subordinate Test
of the College of Engineering with a view to
his being appointed as a Minor Irrigation
Overseer. This exemption ^(however) was subject to
the condition that it should apply only
to the Ranjam district and that Abdul
Jabbar should draw only the minimum
pay of the grade which might be fixed
for the post at the subsequent re-organ-
isation of the Minor Irrigation Establish-
ment. In fo. 2586 Rev of 5.9.1914, the
re-organisation was sanctioned and the
pay of the post fixed at Rs 60-2½-100.
Abdul Jabbar ~~has~~ is now a permanent M.J.
Overseer in the Ranjam district but draws only

he was not entitled
to claim: a very different
matter, I think.

Rs 60, the minimum pay of the grade.

Minor irrigation Overseers are third class officers for purposes of travelling allowance (Art 1002 C.S.R.) and are entitled to draw when on tour a ^{halt} daily allowance of Rs 1 under Art 1063(ii) of the C.S.R. calculated on the maximum pay of Rs 100. In the case of the Minor Irrigation Overseer Abdul Jabbar, however, the Treasury Dy Coll, Panjam objects to his drawing a daily allowance of Rs 1 calculated on the maximum pay of the grade on the ground that his pay ~~was~~ fixed at Rs 60. The Collector points out that

para 6, p 2 ef

para 8, p 2 ef

the go. granting exemption to Abdul Jabbar does not say that he should not draw daily allowance on the maximum pay of the post, that the post of ^(Overseer) sanctioned for his district are only ^{on a} progressive scale and that the fact that the overseer was allowed to draw only Rs 60 as long as he holds the post does not convert the post into one on fixed pay. The A.G. who was consulted in the matter by the Board of Revenue states that though the daily allowance of an officer is calculated on the maximum pay of the appointment, the maximum & minimum pay of the overseer is only Rs 60 and that he is entitled to a daily allowance of only annas ten.

from which it would appear that though the
order of exemption limited the Overseer's pay,
it was never intended that it should limit his
daily allowance. ~~to be considered~~. If the A.G.'s ~~order~~
interpretation of the order is given effect to
the permanent overseer will be in a less
advantageous position than the temporary
Overseer who has been granted temporary
exemption from the examination rules.
The remarks of the Financial Dept.
may ~~perhaps~~ be invited as to whether
the A.G.'s interpretation of the order is
correct and whether there is any objection
to allowing the Minor Irrigation Overseer to
draw daily allowance ^{calculated on} the maximum
pay of the grade.

post). If there is no

I do not read the order in go. 652 Exd.

As meaning his the overseer was ordered to
 stand for ever on R 60 - but many has the
 fact that his appointment on R 100 was
 from that first time the Organization came in was
 not to enable him to claim the Antislavery of
 his pay. As I understand it, when the
 Organization came in, he took his place in the
 ordinary course at the lowest stage of the
 hierarchical scale - R 60 - 2 1/2 - 100 and
 as much entitled to as anyone else to
 rise by increments. If I am right, then
 the Treasury officer the A.G. are wrong in
 their interpretation of the G.O. And their
 objection in regard to t.a. fails.
 W.L. Edw. please say which interpretation
 of the G.O. is correct?

The intention seems clear
that the overseer was not
to be ^{kept} on the minimum
pay. The question then
considered was only the

starting salary; and it was plain that
the revised pay under the reorganization
was intended to apply to him. No doubt
the wording of the fo. did not make
this clear. We may now issue a
fo. pointing this out, or Rev. may them-
selves do it in passing orders on the
present reference.
