Sir,

(Through the Collector of North Arcot)

Sir,

With reference to G. O. No. 627 ^{his} dated 5th April 1917, requesting to report the steps the Council propose to take for utilising the unspent Provincial grant of Rs 9677, I have the honor to submit herewith a copy of the Council's resolution No. 5 dated 19th April 1917.

and to state that the Council has resolved to expend the said amount in favour of the Marginally noted School works - and requests the Government to re-allot the amount as the same was refunded to Treasury on 6th January 1917, the Accountant-General having pressed for refund in his letter No. 18-17392, a copy of which is herewith submitted.

2 The Estimates amounting to Rs 7750 in favour of the said works have been prepared and sent to the District Based Engineer, North Arcot, for scrutiny and return with his suggestions, if any. The balance of Rs 1927 will probably be required in favour of these works as the rates adopted in Estimates are the present market rates and are liable to be enhanced during execution of the work as the market rates are increasing almost daily owing to the war. Any balance which may remain ^{behind} after paying these works in full of course be refunded to Government.

3 I therefore request that early orders may be passed to re-allot the whole amount in question so that the work may be put in hand and completed before monsoon sets in.

The Chairman,

Sir,

With reference to your letter No. 540 dated the 13th December 1916 and in continuation of this office No. 15-16597 dated the 4th December 1916, I have the honour to state that the sum of Rs 9,677/- in question should, at once, be refunded into the treasury and the fact intimated to this office. In the copy of the Government Memorandum forwarded with your letter, Government have not stated that the question of revoking their order as regards the refund of the amount is under their consideration. On the other hand, they ~~have~~ have made a definite statement, in the last para of their Memorandum that "no grant can be made at present from Provincial funds".

2. I regret that the matter may be treated as very urgent as it is most

nearly 5 months since Government
ordered the refund by the Municipality
of the amount in question.
