Submitted that the St. Aloysius' Industrial School at Vizagapatam is at present in receipt only of the grants admissible under the Grant-in-Aid Code. The amount paid during each of the last three years was as follows:--

1915-16	3,500
1914-15	2,500
1913-14	2,500

2. A scheme for the development of the institution with special State aid was formulated in G.O.No.2734 ~~Revenue~~ ^{Revenue}, dated the 18th August 1910 (placed on the Editors' Table) and G.O.No.728 Educational, dated the 9th August 1912. This scheme had to be subsequently abandoned as the Director of Industries was unable to arrive at a satisfactory agreement with the management on the subject (paragraph 7 of Mr. Tressler's letter on page 10 of G.O. No.1098 Educational, dated the 4th October 1915).

3. Mr. Tressler afterwards submitted another scheme proposing the division of the institution into two sections - the "school" and "factory" sections - and recommended that the "factory" section should be provided at the cost of Government and given to the Mission, on conditions, for the use of the school. No other special aid was recommended. The scheme depended on the suitability of the Code of Regulations for Industrial Schools submitted by Mr. Tressler. This has not been approved by Government and the papers were recorded in G.O.No.164 Educational, dated the 13th February 1917. Thus there are now no special schemes under the consideration of Government for the

enlargement and development of the institution.

4. In G.C.No.728 Educational, dated the 9th August 1912, and G.C.No.1098 Edl., dated the 4th October 1915, the Government ordered the acquisition of certain plots of land for the enlargement of the school building and for the construction of a workshop. The land acquired in 1912 is to be leased to the Mission on the conditions laid down in G.C.No.923, Educational, dated the 29th August 1916. The Mission has not yet ~~agreed to the terms proposed~~ ^{agreed to the terms proposed}. Attention is solicited to Mr. Innes' reply dated the 1st May 1917, from which it will be seen that the Mission now requires for the purpose of the school the second site acquired in 1915 and not the one acquired in 1912.

5. The following draft answer is submitted for approval:--

Is the 2nd paragraph necessary?

The Hm's guess refers to "this point".

Again. I take it that the 2nd para is intended to be a reply to the latter portion of the question.

Submitted yes. The Additional Member who comes from Vijayapattanam has probably heard of the negotiations between the Govt. and the authorities of the school.
