Approving the proposal of the Director of Public Instruction to delegate to Inspectors, Inspectresses and Principals of the Teachers' College, Saidapet, and Government Training College, Rajahmundry, the power to write-off in certain cases after making the necessary enquiries in each case irrecoverable stipends or stipendiary grants up to a limit of Rs. 100.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 7th December 1916.

No.—Cur. 9964.

Under rule 127 (ii) of the Madras Educational Rules students, who were in receipt of stipends or stipendiary grants from Provincial funds during their course of training in a Government or aided training institution but who fail subsequent to their training course to fulfil the terms of the bond executed by them under the first section of the above-mentioned rule, become liable to refund the amount drawn by them in the shape of stipends or such portion thereof as is considered equitable in the circumstances of the case. While the Inspectors and the Inspectresses arrange themselves for the recovery of amounts from students who recognise their obligations, they refer to the Director a considerable number of cases where they find it necessary to recommend a partial or total remission or a writing-off of amounts due from students who have failed to fulfil the terms of their bonds. These references occur where

(a) the whereabouts of the stipendiaries are not traceable even after enquiries through the medium of the *Fort St. George Gazette* or through the Revenue officers of their native place,

(b) they have no property from which to recover the amounts due,

(c) the legal advice of the local Government Pleader is to the effect that a suit against the stipendiary may not stand in a court of law.

2. It seems to me that the Inspectors of Schools, Inspectresses of Girls' Schools and the Principals of the Teachers' College, Saidapet, and the Government Secondary Training School, Rajahmundry, may, with advantage, be empowered to write off the stipends or stipendiary grants, as the case may be, due in all the three cases mentioned in paragraph 1 above after making in each instance the necessary enquiries. I therefore request that the sanction of Government may be accorded to the delegation of this power to the officers mentioned above.

HOME (EDUCATION) DEPARTMENT.

From the Director of Public Instruction, dated 7th December 1916, No. 9964.

Under G.O. No. 348, Financial, dated the 1st August 1908, the Director of Public Instruction alone as the head of a department is competent to write off irrecoverable value of stores or *public money* up to Rs. 200 in each case subject to the condition that the loss does not disclose a defect of system, the amendment of which requires the sanction of Government. In the annexure to letter No. 212, Educational, dated the 10th March 1913, it was recommended to the Government of India that Inspectors, Inspectresses and heads of colleges might be given similar power up to a limit of Rs. 50. The Government of India then stated that the powers under the various Codes which might be delegated by that Government or by the Local Government were being codified and that they would be prepared to incorporate the proposed delegation to the Inspectors, etc., in the schedule of powers to be submitted to the Secretary of State.

2. Under rule 127 (ii) of the Educational Rules pupils who are in receipt of stipends or stipendiary grants when studying in a training school or college become liable, if they fail to fulfil the terms of the bond executed by them, to refund the amount drawn by them in the shape of stipends or such portion thereof as is considered equitable in the circumstances of the case. The Director of Public Instruction now proposes that, in the circumstances stated in paragraph 1 of his letter dated 7th December 1916, the Inspectors and Inspectresses and the Principals of the Saidapet Training College and the Rajahmundry Secondary Training School may be empowered to write off, after making necessary enquiries, the amounts due in all the three cases mentioned in clauses (a), (b) and (c). It is doubtful whether the Local Government can sanction the proposal and it seems desirable to fix a money limit up to which only the Inspectors, etc., can write off irrecoverable amounts. The ordinary rates of stipends to a student

In the collegiate department is Rs. 15 per mensem or Rs. 180 per annum.
" secondary " Rs. 12 " or Rs. 144 "
" elementary " Rs. 8-8-0 per mensem or Rs. 102 per annum.
As pointed out above, the money limit recommended in 1913 was Rs. 50.

3. The Accountant-General's remarks may be invited in the first instance. A draft endorsement is submitted.

From the Accountant-General, dated 22nd January 1917, No. T.M.-1-15/19008.

The Accountant-General has no audit objection to the delegation recommended by the Director of Public Instruction being sanctioned by Government. A draft order approving the proposal of the Director of Public Instruction is submitted which, if approved, may issue with the concurrence of Financial.

To enable us to determine whether any and if so what money limit should be placed on the powers of Inspectors, it may be desirable to ascertain from the Director of Public Instruction how many cases came up to him during the last three years for sanction to write off irrecoverable stipends and stipendiary grants and the amounts involved in those cases. Please put up a memorandum to him.

R.C. No. 9964/16.

The information called for has been furnished by the Director of Public Instruction.

From the statement furnished by the Director, it may be noted that there were ten cases where the amount of stipends or stipendiary grants written off as irrecoverable exceeded Rs. 100. Of the remaining 27 cases, the amount in 22 of them was between Rs. 50 and Rs. 100 and in the rest below Rs. 50.

It would therefore appear that if any money limit is to be placed it may be Rs. 100.

If it is decided to sanction the proposed delegation, the file may be sent to the Financial Department for remarks.

NOTES CONNECTED WITH G.O. No. 905, HOME (EDUCATION), DATED 9th JULY 1917

[SUBJECT.—Delegation to the Inspectors, etc., of the power to write off stipends or stipendiary grants due in certain cases.]

From the Director of Public Instruction, dated the 7th December 1916, No. 9964.

Under G.O. No. 348, Financial, dated the 1st August 1908, the Director of Public Instruction alone as the head of a department is competent to write off irrecoverable value of stores or public money up to Rs. 200 in each case subject to the condition that the loss does not disclose a defect of system, the amendment of which requires the sanction of Government. In the annexure to letter No. 212, Educational, dated the 10th March 1913, it was recommended to the Government of India that Inspectors, Inspectresses and heads of colleges might be given similar power up to a limit of Rs. 50. The Government of India then stated that the powers under the various Codes which might be delegated by that Government or by the Local Government were being codified and that they would be prepared to incorporate the proposed delegation to the Inspectors, etc., in the schedule of powers to be submitted to the Secretary of State.

2. Under rule 127 (ii) of the Educational Rules pupils who are in receipt of stipends or stipendiary grants when studying in a training school or college become liable, if they fail to fulfil the terms of the bond executed by them, to refund the amount drawn by them in the shape of stipends or such portion thereof as is considered equitable in the circumstances of the case. The Director of Public Instruction now proposes that, in the circumstances stated in paragraph 1 of the Director's letter dated 7th December 1916, the Inspectors and Inspectresses and the Principals of the Saidapet Training College and the Rajahmundry Secondary Training School may be empowered to write off, after making necessary enquiries, the amounts due in all the three cases mentioned in clauses (a), (b) and (c). It is doubtful whether the Local Government can sanction the proposal and it seems desirable to fix a money limit up to which only the Inspectors, etc., can write off irrecoverable amounts. The ordinary rates of stipends to a student

In the collegiate department	Rs. 15 per mensem or Rs. 180 per annum.
" secondary "	Rs. 12 " or Rs. 144 "
" elementary "	Rs. 8-8-0 per mensem or Rs. 102 per annum.

As pointed out above, the money limit recommended in 1913 was Rs. 50.

3. The Accountant-General's remarks may be invited in the first instance. A draft endorsement is submitted.

From the Accountant-General, dated 22nd January 1917, No. T.M.-1-15/19008.
The Accountant-General has no audit objection to the delegation recommended by the Director of Public Instruction being sanctioned by Government. A draft order approving the proposal of the Director of Public Instruction is submitted which, if approved, may issue with the concurrence of Financial.

2 NOTES to G.O. No. 905, HOME (EDUCATION), 9TH JULY 1917

To enable us to determine whether any and if so what money limit should be placed on the powers of Inspectors, it may be desirable to ascertain from the Director of Public Instruction how many cases came up to him during the last three years for sanction to write off irrecoverable stipends and stipendiary grants and the amounts involved in those cases. Please put up a memorandum to him.

From the Director of Public Instruction, dated 16th June 1917,

R.C. No. 9964/16.

The information called for has been furnished by the Director of Public Instruction.

From the statement furnished by the Director, it may be noted that there were ten cases where the amount of stipends or stipendiary grants written off as irrecoverable exceeded Rs. 100. Of the remaining 27 cases, the amount in 22 of them was between Rs. 50 and Rs. 100 and in the rest below Rs. 50.

It would therefore appear that if any money limit is to be placed it may be Rs. 100.

If it is decided to sanction the proposed delegation, the file may be sent to the Financial Department for remarks.
