and 12 whose retention until 30th June 1918 was sanctioned in G. O. No. 716 Educational dated 29th May 1917 and the Inspectress of Girls' Schools, Central Circle, reports that the teachers are all either of the primary or lower-Elementary grade, that none of them can teach English to the girls and that the correspondence is carried on in English with great difficulty. She therefore requests that, as a very special case, the pay of one of the posts on Rs. 12 per mensem be raised to Rs. 20 in view to obtaining the services of at least a trained Elementary Higher Grade teacher who knows English and who can maintain proper discipline in the School.

The proposal commends itself to me especially as under Rule 81-2 of the Madras Educational Rules the School ought to have at least a head teacher on Rs. 20.

3. The extra cost amounting to Rs. 64/- during the current year can be met from the savings anticipated under salaries in Government Girls' Schools.

I have the honour to be,

Sir,

Your most obedient Servant,

for Director of Public Instruction
