Sir,

I have the honour to submit herewith a copy of letter No.R.C.581/17 dated 21-5-17 from the Principal, College of Engineering, Madras, on the subject of granting halting allowance to certain members of the staff for the period of their halts in Survey camp beyond the 10 days' limit prescribed in art 1056 of the Civil Service Regulations and to state that these officers do not maintain camp equipment and servants as they are not touring officers. Consequently the additional expenses incurred by

by them are considerable. There is also the wear and tear of motor vehicles and bicycles to be taken into account. I therefore recommend that daily allowance at the full rates for the Professor of Civil Engineering, the Instructor in Surveying and Drawing and the Instructor in Civil Engineering and at half the usual rates for the other members may be sanctioned.

2. A statement showing the number of days spent in camp by the officers, the amount of halting allowance additionally asked for is submitted. Particulars of additional expenses incurred by the officers submitted by the Principal are also enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

G. W. S. Srinivasan

From the Principal, College of Engineering, Madras, R.C.No.581/17 dated 21st May 1917, to the Director of Public Instruction, Madras.

With reference to your Proceedings R.C.No.2891/17 dated 17th ultimo, I have the honour to submit herewith statements giving the additional expenditure incurred by Messrs. H.W.Barker, P.H.England and W.C.Old during the recent Survey Camp of students.

2. I also enclose a statement giving the information required in paras 2 and 3 of the Proceedings in respect of the non-gazetted officers.

3. I recommend that Government may be requested to grant the Assistant Instructors AS IN PAST YEARS half the usual rate of daily allowance for each of the days spent by the members of staff in camp over and above the 10 days' limit, but the Professor of Civil Engineering, the Instructor in Surveying and Drawing and the Instructor in Civil Engineering seem to me to have a fair claim for allowance at the full rate.

4. The name of Mr.A.E.Holloway, Instrument Repairer who was also on duty in Survey camp is included in the present list. He applied only now for the additional daily allowance.

From

The ACCOUNTANT-GENERAL, MADRAS,

To

THE CHIEF SECRETARY TO THE GOVERNMENT OF MADRAS,

Home (^{Education}~~Judicial~~) Department.

SIR,

With reference to your Endorsement No. 2206 A-1 dated 14th June 1917 referring for remarks letter R.C.No. 2891-17 dated the 6th June 1917 from the Director of Public Instruction, I have the honour to state that there is no audit objection to the gazetted staff Assistant Instructor and ^{the} Mechanic of the College of Engineering referred to in the letter of the Director of Public Instruction being granted exemption from the operation of Article 1056 of the Civil Service Regulations during the period of their survey camp, if Government are satisfied that the conditions in clauses (a) and (b) of Article 1056 of the Civil Service Regulations are fulfilled in their cases. It is pointed out however that "Extra expense" for the purpose of this rule has been understood to mean expense which would not have been incurred had the officer remained at Headquarters and this too should

should be of such a nature as is intended to be provided for by the grant of travelling allowance. It is doubtful if wear and tear, depreciation etc. of conveyances estimated as due to overuse while in camp and boarding charges would come under this category. It has also been decided by Government (vide rule 8 IV page 186 of the Civil Service Regulations Supplement) that only such extra expenditure as is actually incurred and accepted as legitimate could be allowed for days of halt after the first ten days and it is not clear therefore why the Director of Public Instruction recommends grant of full daily allowance of Rs.3⁰ to the Instructors in Civil Engineering and surveying and drawing when these officers claim only Rs.2-5-4 per diem and Rs.2-12-0 per diem respectively inclusive of such charges as wear and tear of bike, etc. which as pointed out above, could not be legitimately included.

The enclosures received with the above endorsement are herewith returned.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Accountant-General.

Subject. - Exemption of certain members of the Staff of the College of Engineering from the operation of art. 1056 of the C.S.R. during the survey camp.]

As observed by the A.G. it appears doubtful whether wear and tear, depreciation etc. of conveyances estimated as due to overuse in camp, and boarding charges should be taken into consideration. It may be sufficient to grant daily allowances at half rates beyond the first ten days, in the case of all officers. It may be noted in this connection that assistant ^{and deputy} collectors undergoing survey training and training in Settlement parks are allowed only half the usual daily rate after the first ten days - para. 20, page 25 of G.O. no. 329 Fud., dated the 24th May 1917. Orders are collected
