From (Name) J. I. Smith, Esquire, I.C.S.

(Designation) President, Taluk Board, Bezwada.

To The Secretary to the Government of Madras,
Local and Municipal Department.
Thro' the President,
District Board, Kistna.

Sir,

I have the honour to state that being unable
to forego any loss of its income, the Taluk Board has
not put into force the recent amendment of Rule 84 of
the Madras Educational Rules. Giving effect to it
results in a loss of about Rs.1,500/- to this Taluk
Board per annum. With its almost fixed income and
ever increasing demands under all grants, the Taluk
Board can ill-afford to forego so much income without
effecting a corresponding reduction in expenditure,
which is not possible.

If the Government be prepared to indemnify
this Taluk Board also as they have done in the case

C1 3723 20f.
20.10.16

of some other Taluk Boards referred to in C.O., No. 303-Educational, dated 15-3-1915, this Taluk Board will thankfully give effect to the above rule in order to satisfy the oft repeated demands of several pupils.

2. A copy of Taluk Board Resolution on the subject is enclosed.

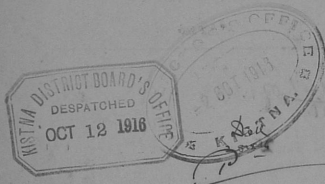

3. I solicit early orders of the Government.

I have the honour to be,

Sir,

Your most obedient servant,

N. Ref on Cur No. 8597/1916, dated 22nd December 1916.

Resubmitted.

2. Despite an intermediate reference to the Inspector, the question is not clear. It is learnt that the Bezwada Taluk Board did not share in the recurring subsidy of Rs. 2790 sanctioned in G.O. No. 303 Educational, dated 15th March 1915 for the whole District Board, as the former did not give effect to the amendment to Rule 84 of the Madras Educational Rules. It is difficult to believe that the loss of fee income to the Taluk Board on account of the concession introduced by the amendment would be Rs. 1,500/- when the total fee income of the Taluk Board (Rs. 2,840/- for 1916-1917) is taken into consideration and when it is seen that the estimated loss of fee income for the whole District Board comprising five Taluk Boards was only Rs. 2,790/- in accordance with the statement B printed in G.O. No. 303, dated 15th March 1915.

3. The number of schools under the management of the Taluk Board which are intended for general classes and which have standards above the third is only 31. Presumably, Panchamas and pupils belonging to backward classes reading in these schools are at present paying fees inasmuch as the Board has not given effect to the amendment to Rule 84, Madras Educational Rules. Unless, however, the number of such pupils reading in each standard of these schools is known, the amount of Rs. 1,500/- estimated by the Taluk Board as loss of fee income cannot be verified. The District Board may therefore be asked to supply these particulars and the question of granting a subsidy may then be considered.

2. The proportion of pupils of backward castes to those of non-backward castes is very high as it is observed that in 32 schools intended for general classes with a total strength of 2422 pupils there are 1008 pupils belonging to the backward communities. The original subsidy of Rs. 1,500 applied for by the Taluk Board is recommended for sanction, the charge being met from the general savings in the total allotment under "subsidies" in the current year's budget.
