From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

With reference to G. O. No.481 Home (Education)
dated 18th April 1917 permitting Mr. C. R. Porrett,
Instructor in Manual Training, Teachers' College, Saidapet,
to apply to the Military authorities to be enrolled as a
pilot in the Royal Flying Corps, Indian Army Reserve of
Officers Branch, during the period of the War and to retain
a lien on his appointment in the Civil Department, I have
the honour to state that the post of Instructor in Manual
Training having been sanctioned for a period of five years

vide G. O. No. 1244 Educational dated 24th December 1915.
Mr. Porrett's lien on the appointment will last only until
16th October 1919. Mr. Porrett requests that he may be given
an assurance that he will be entertained as Manual Training
Instructor in the Teachers' College whenever he is relieved
by the Military authorities even though the date of his relief
might be later than 16th October 1919. This request which
is supported by the Principal seems to me reasonable and I
accordingly beg to request that the Government will be pleased
either to give Mr. Porrett an assurance that, in the event of
the Manual Training Instructorship in the Teachers' College
being made permanent at the end of five years or being continued
for a further term thereafter he would be permitted to return
to that post after discharge from military duty, to exclude the
time spent by him on military service from the period of five
years for which the appointment of Manual Instructor at the
Teachers' College has been sanctioned, i.e., to keep the
appointment in abeyance.

I would prefer the latter alternative, since
there is no probability of a substitute for Mr. Porrett being
available, while it will certainly be desirable to resume the
training of teachers for manual training work after the war.

I have the honour to be,

Sir,

Your most obedient Servant,

From

ACCOUNTANT-GENERAL, MADRAS,

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS.

Home (Education) Department.

SIR,

In reply to Government Endorsement No. 2130 A-1 dated the 29th May 1917, I have the honour to state that under para 3 of *C.R.* Mr. Porrett's agreement with the Secretary of State embodied in G.O. No. 642 Educational dated the 29th May 1914, Mr. Porrett could absent himself from his duties as Instructor in Manual Training with permission from Government or their authorised officers. But there is no provision in the agreement for the exclusion of the period of such absence from the term of 5 years for which his services were engaged. The period of his employment on Military duty with a lien on his appointment of Instructor in the Civil department, should not therefore be excluded from the term of five years. If the period of his military duty expires after 16th October 1919, the date of the termination of his present agreement, the permission of the Secretary of State who

who originally sanctioned the creation of the appointment (vide G.O. No.1244 Educational dated the 24th December 1913) would appear to be necessary to its retention beyond that date and to Mr. Perrett re-joining it.

✓ The enclosure to the Government endorsement is returned herewith.

I have the honour to be,

Sir,

Your most obedient servant,

W. S. A. S.

Accountant-General.

[Subject - Extension of Mr. Ch. Porretto's lien
 on his appointment as Manual Training ^{Inspector}
 Instructor after the war.]

Please see the A.G.'s letter on pages 405
 of c. f. In the circumstances explained therein
 it does not seem possible to exclude the period of
 Mr. Porretto's employment as military ^{duty} from the
 term of five years for which the appointment
 has been sanctioned. The other alternative viz.
~~the option was not to be taken by Mr. Porretto~~
~~was to grant~~ the grant of permission to Mr.
 Porretto to return to ~~the~~ his original post, in the
 event of the post of manual Training
 Instructor in the Teachers' College, being ^{refused} ~~continued~~
 after the first period of 5 years, may be
 adopted.

2. Though it may be necessary
 to obtain the sanction of the Secy
 of State to the continuance of
 the app't after the 16th October 1919,
 such sanction is not necessary to the
 retention of Mr. Porretto's services after
 that date (vide clause 11 of the agreement
 printed on page 10 of form 642 Cdt of the
 29th May 1919)

The Accountant General has

offered his remarks only with reference to the second of the alternatives suggested by the D.P.D. As this has been shown to be impossible of adoption, we will have to fall back upon the first. The D.P.D. says that it will be necessary to resume the training after the war. Though we originally proposed the engagement of the instructor for a period of five years in the first instance, the sanction accorded is in general terms & the agreement provides for the retention of the instructor beyond five years. The A.G. may be requested to state whether the instructor may be retained beyond the 16th October 1919 without further sanction & whether the D.P.D. may be given the assurance as proposed by the D.P.D. in the first of the alternatives.

U. O.

This office letter deals with both the requests made by the Director of Public Instruction. As far as this office can make out there is no provision in the agreement empowering the Local Government to retain Mr. Porrett beyond 16th October 1919. The appointment itself was sanctioned for a period of five years and the contract entered into by him with Mr. Porrett was also for a period of five years. If Mr. Porrett should continue for over five years, the retention of the appointment should first be sanctioned and then the question of the retention of Mr. Porrett in it should be decided. But this can be done only by the Secretary of State, for it was he that sanctioned the creation of the appointment originally, and the agreement made by him was for five years only. Clause 11 of the agreement quoted in the Secretariat Notes does not give Government the power to retain Mr. Porrett after five years without reference to any higher authority. All that the clause means is that, if Mr. Porrett's services are to terminate after the expiry of five years, either side is entitled to three months' notice. In the event of Mr. Porrett not obtaining this notice from Government, he can continue in service. But the non-service of the notice would imply that Government had already obtained the sanction of the Secretary of State to the retention of Mr. Porrett's appointment beyond five years, and to his continuance therein.

The sense of the A.G.'s note is not clear. Apparently he agrees that if the sanction of the Secretary of State to the continuance of the appointment after the 16th October 1919 is obtained, Mr. Barrett's services can be retained by this Govt. after that date unless they choose to serve the notice referred to in para. 11 of the agreement. For orders whether an assurance may be given in the sense of the first of the two alternatives suggested by the D.O.

The first alternative of assuring Mr. Barrett that he will be permitted to join the appointment in the Teacher's College, if it is continued after the 16th Oct. 1919, may be adopted. The continuance of the appointment will require the sanction of the Secy of State as advised by the A.G. The balance of work standing over out of the five year programme will have to be completed, even though retention of the post for long period may not be necessary. As a matter of fact, however, there will be need for the retention of the post for several years.

Mr. Porrett may be informed that in case he reverts from military duty before 16 Oct 1917 he will be reengaged.

If he does not revert from military duty before that day, no definite assurance can be now given. Govt understand fresh sanction of the Secy of State is necessary and the question of applying for sanction will then be considered according to the circumstances ruling then.
