Subbarao 2nd Accountant District Board Engineer's office Vizagapatam, requesting that they may be exempted from the operation of the examination rules so as to enable them to appear for the Account Test.

To

The President, District Board,
Vizagapatam.

Through

The District Board Engineer,
Vizagapatam District,
Vizagapatam.

Honoured Sir,

I beg to state that I am anxious to appear for the Accountant Test to better my further prospects in the department. I ---- therefore beg that your honour may be pleased to recommend me to Government for exemption from the operation of the rules -- required for appearing to the same as my present educational -- qualifications do not permit me to do so. As my hearing was affected in my 13th year, I could not appear for any University Examination but I received good education at home and learned the whole official routine work when my father was in active service under Government as an Inspector in the Salt & Abkari & Customs department. I have also passed the Government Technical examination in Type-writing, Elementary held in April 1911.

As regards my service in the department I beg to state -- that I was entertained as a temporary clerk on Rs.15/- in April 1908 and was confirmed as a clerk on Rs.15-1-20 in the permanent establishment in April 1909. In April 1913 I was promoted as 3rd accountant on Rs.25-1-30 and in November 1915 as -- 2nd accountant on Rs.30-1-35. I have thus put in a total service of 9 years and my age is 31.

As the District Board Engineer is personally observing my work it is unnecessary for me to represent about my capabilities as an accountant and Clerk. I therefore beg that my humble

(2) 3
humble request may be favourably considered.

I beg to remain,

Honoured Sir

I, R. Bhagavannulu, Head clerk
of L.F. Assistant Engineer's Office Vijayanagaram
most humbly beg to bring the following
into your honor's kind consideration and
favourable disposal.

I have been working for the
last 10 years in the L.F. Department
and gained much experience in the official
routine having worked under many a
Capacity, as a clerk in the Division
Accounts in the Engineer's Office as a
Camp clerk to the District Board Engineer
and the Head clerk of the Range. It
is no vain boast on my part to say
that I have no room for any complaint
whatever regarding the nature of the
duties entrusted to me. The officer under
whom I am now working bears
testimony of my earnestness in the
discharge of my duties.

My present educational
qualifications do not permit me to

to rise higher in the Department,
hence I mean to possess special
Educational qualifications to better
my Status.

para 69 on
p. 30 of the paper
"Abstract of Rules
relating to P. S. Examinations"

I therefore want to appear
for the Account Lower, which
I cannot do unless specially
excepted by the Government.

It is therefore humbly
submitted that your honor may
be pleased to consider my case
sympathetically and recommend
for my exemption to appear for
the Account Lower.

I beg to remain

2. In this connection I have also to bring to your notice that there are no qualified accountants in the Engineering Department except one or two in my office.

I have the honor to be,

Sir,

Your most obedient servant,

For a precedent please see G.O. No. 136 Ed. by 6.2.17. It may also be pointed out that the H.B. Engineer states that there
