No. 482-117

Station Tenali, Dated the 5th May 1917

From (Name) Rao Bahadur C.V. Subrahmanya Sastri Garu,
(Designation) President, Taluk Board, Tenali.

To the Secretary to the Government of Madras,
Local and Municipal Department.
Madras.

Through

The Director of Public Instruction,
Madras.

And

The President, District Board,
Guntur.

Sir,

With reference to letter Rc.No.10462 of 1916 dated
29-3-1917 of the Director of Public Instruction, Madras -
communicated with Rc.No.540/D.B. dated 12-4-17 of the Pre-
sident, District Board, Guntur, I have the honour to submit
herewith an estimate with plans amounting to Rs. 6,200 for
constructing an additional block to the Board Incomplete -

Secondary school at Kollur. The estimate was approved of by the Superintending Engineer, 2nd Circle in his letter No. 512-II dated 15-9-14 and necessary corrections were also made by him as per his remarks.

2. It was found that 'Jutta wood' provided for in the estimate was not available in the market and it has since been altered to "Teak wood".

3. Owing to the limited finances of the Taluk Board, an application for sanction of contribution of at least one half of the estimated amount from Provincial funds for the construction of this block was sent first made to the Director of Public Instruction, Madras in this office letter No. 1403 dated 1-10-1914 but I was informed that no funds were available then. The application is renewed as per letter No. 10509 dated 20-12-16 of the Director of Public Instruction, Madras.

4. A sum of Rs. 1,000 has been provided for in the current year's budget for extending the school building.

5. The Taluk Board has to contribute annually about Rs. 6,000 for the maintenance of the Municipal Hospital at Tenali. As the control of the Vaccination establishment has been recently transferred to Taluk Board, a sum of about Rs. 2,000 has to be spent in addition every year under this head. Further, the two taluks constituting the Taluk Board being purely deltaic, more than the prescribed minimum of expenditure has to be incurred under 'Communications' besides maintaining the existing buildings in good order. The board is also spending Rs. 1,260 net on the incomplete Secondary schools at Repalli and Kollur and Rs. 13,940 on elementary schools under the board from its own funds besides the amounts annually incurred for furniture, apparatus and repairs to buildings etc. The net income to the board is only about Rs. 64,000 only.

Under these circumstances, I request you to obtain the sanction of Government for grant for the construction of the school building.

I have the honour to be,
Sir,
Your most obedient servant.
