Ref. on Cur. No. 3869/17
Station Madras, Dated the 17.5.1917

From (Name) ^{He} Hon'ble Mr. L. H. Stone, M.A., F.R.S., C.I.E.,
(Designation) Director of Public Instruction, Madras.

To The Secretary to the Government of Madras,

Home Department.
/Education/

Sir,

With reference to G.O.No.519 Home(Education) dated 24th April 1917, I have the honour to invite the attention of Government to a similar case in respect of the Educational special forms required by the Surgeon-General for the use of his department which was disposed of in G.O.No.614 Financial, dated 4th October 1915. In this office letter to Government in that connection R.C.No.10377/14 dated 3rd August 1915 I explained the various difficulties that would result from giving effect to the proposal then made by the Superintendent of Stationery that the requirements of the Surgeon-General should be included in the consolidated indent prepared by this office. The case of the Department of Industries is, I beg to submit

submit, in no way different from that of the medical and I venture to suggest thatx instead of burdening this department with this -- additional duty especially when the work in connection with the -- consolidation of forms is already very heavy, the Director of Industries may, as the Surgeon-General now does, also indent separately -- on the Stationery office for the Educational Special forms, required for his department. I have the honour accordingly to request that Government will be pleased to reconsider the order now passed so that the Director of Industries may obtain his supply of the forms from the Stationery office like the Surgeon-General without his --- indent passing through this office.

I have the honour to be,

Sir,

Your most obedient servant,

R. G. Ariens.

for Director of Public Instruction.

From (Name) C.A. Innes, Esq., I.C.S.,(Designation) Director of Industries, Madras.

To The Secretary to the Government of Madras,

HOME (Education) Department.
Stone House Hill. Ootacamund.

Sir,

In reply to Government Endorsement No. 2087 A-1 of the 23rd instant, I have the honour to state that in his letter No. R.O.C. 2224 of the 28th March last, the Director of Public Instruction suggested to me that if a regular annual supply of the special Educational forms were required, the sanction of Government should be obtained for the inclusion of this office's requirements in his consolidated indent for such forms. ^{however} As/he is not now in favour of its adoption, I have no objection to indenting for these forms on the stationery office separately, provided that the superintendent is authorised to pass all claims including those for forms the annual consumption of which is less than 50. In respect of such forms perhaps the superintendent of stationery might be

of the Dept of Ind.

SUBJECT.

Regarding special educational forms required for the Dept of Industries.

Before approving the present proposals of the officer in charge of the Dept of Industries, it seems desirable to consult the Supdt of Stationery about them. The file may, it is submitted, be sent to him now.

R. O. C. No. 928/F
Madras, 20th June 1917.

The proposal of the Director of Public Instruction if accepted would involve double printing. The indent of the Director of Public Instruction for

No. 364
20/6/16

special forms is due in this office in January and that of the Director of Industries, in March. By the time the indent of the Director of Industries is received in this office, the Educational indents would have been transmitted to the Press for printing, and the educational forms claimed on the indent of the Director of Industries will have to be printed again, involving additional labour and cost. It therefore seems necessary that the requirements of the Director of Industries should be included along with that of the other officers, using the same forms, in the consolidated indent of the Director of Public Instruction. As regards the remarks of the Director of Public Instruction that the Director of Industries should indent on this office direct for educational form like the Surgeon-General who has been authorized to do so in G. O. No. 614, Financial, dated 4th October 1915, I may state that from actual experience it has been found that this system involves double printing of the same forms. I am addressing Government on the subject separately.

SUPERINTENDENT OF STATIONERY.

p. 2 supra

Home (202) Sept.
The file may perhaps lie over pending orders on the separate communication that is being addressed by the Supt. of Stationery on the general question. Those orders will apply to this particular case also.

23/6/17

Let us ask the Supt. of Stationery whether there is any objection to the Education Dept. indicating simultaneously with the Dept. of Public Instruction dissent in the stationery app. This would obviate the difficulty pointed out by the Supt. at X on p. 2 supra. There seems to be no particular reason why we have should not indicate in January instead of March.

R.O.C. No. 928/F

There is no objection to the Director of Industries indenting on this office direct for educational forms at the same time as the Director of Public Instruction, except that it will throw the additional work of consolidation of indents on this office.

The officer in charge of the Dept. of Industries may be requested to state whether he could arrange to send his indent for educational forms to the Dept. of Industries in January instead of in March.

The compromise suggested above seems best.
