No. 2324A. from the D.P.I., no 3830 of 236

[Subject. - opening of a hostel in connection with the Training College, Rajahmundry]

The proposal to open ~~the~~ ^a hostel may be approved. The ~~approx~~ initial expenditure of Rs 300 on the purchase of vessels and utensils may be met by the Govt. as in the case of the hostels attached to training schools and the Engineering College hostel.

2. It is however, doubtful whether the entire rent (Rs. 80 per mensem) should be borne by the Govt. The students of ^{elementary} training schools have been exempted from the payment of rent for the occupation of hostels, mainly on the grounds that their stipends are small and that they are in a way compelled ^{by Govt.} to undergo training. The question of students in training colleges was not then ^{specifically} considered. It is also not known whether the students undergoing collegiate training, on ~~the~~ occupying the hostel attached to the Teachers' College, Saidapet, are paying any rent. From the report of the College for 1915-16 (page 6 of fr. no. 701 dated the 28th June 1916) it is inferred that these students pay for their lodging. The D.P.I. may perhaps be requested a/c. to report on the point.

Please see pages 100 to 102 of the Teacher's College Calendar for 1916-17. & ~~also~~ the two miles side lined. A rent of Rs 17-8-0 is distributed among all the boarders. The exact accommodation available here is not known. From the report & from the figure above noted, it is clear that the amount of rent debited to each boarder should be very small. - probably Rs 4 or so.

If the whole of the rent to be paid for the hostel of the new College is to be recovered from the students, the charge for each student should be comparatively heavier. It is not known what accommodation will be available in the new building & whether it is the Director's intention to defray any portion of the rent from Govt. funds in accordance with the proposals recently made by him. He should have ~~some~~ definite information before sanctioning the proposal in the Council. He D.P. may be asked to.

The Registrar's suggestion is not definite.
Moreover I should like to know what the hostel accommodation is. What the average cost is.

In the teacher's case the total rent of the building is remarkably low. M. 7/17

Financial Dept.

In connection with the Rajahmundry Training College, it is proposed to sanction the opening of a hostel in a rented building (on a monthly rental of Rs. 80) and to incur an initial expenditure of Rs. 300 on the purchase of vessels and utensils, and to ask the D.P.D. to report the amount that should be levied as rent from the students of the College residing in the hostel.

Please see the Director's note on page 3 ante. It is respectfully submitted for orders whether

the information at K above may not be obtained before the proposals are sanctioned.

U.S.

11-7-17.

If, as I understood, the instruction is that Govt. should pay Rs 80 minus the amt. re. covered from the students it certainly does seem desirable to know what amt. will be re. covered before the Govt. liability is fixed.

C.S.

12-7-17.

We need not mind on this provided Govt. cannot put before fixing the rate first recoverable.
