Sir,

The Correspondent of the Surangi Secondary School,
Itchapur, Ganjam District, proposes to acquire the piece of
land on the eastern side of the present school building marked
A in the enclosed sketch plan for the reasons given in his
letter dated 23rd July 1916 (copy enclosed). As the property
proposed to be acquired forms part of a Muhammadan religious
endowment, its purchase by private negotiations is reported
to be impossible and the Correspondent therefore requests that
it may be acquired under the Land Acquisition Act. I consulted
the Collector of Ganjam as to the advisability of moving in
the matter. This officer states that the owner's objection

is not valid and that I may move in the matter, vide his letter Dis No. 4621/Cor/16., dated 9th December 1916 (copy enclosed). I have the honour to state that the acquisition of 75 cents of land marked A in the enclosed plan is desirable in itself and may be sanctioned if the objections on quasi-religious grounds do not prevent it. I also recommend that if Government approve the acquisition a grant not exceeding one-half of the total cost of acquisition may be sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. Arivu

From Srijiut M.G. Patnaik, B.A., B.L., Correspondent,
Surangi Secondary School, Itchapur, Ganjam District.

Dated 23rd Feb 1916 (9)

I have the honour to state that the abovementioned school building has to be extended as has been observed by successive Inspecting Officers. Mr. Pranatartihara Ayyar as the Inspector of Schools for the First Circle made the suggestion that the proposed extension should be put up on the eastern side connecting the two new blocks so that the three together might constitute form ☐.

2. For the proposed extension the site available within the school compound is not sufficient. It is therefore necessary that the land adjoining the school compound on its eastern side should be acquired. But as the land forms part of a Muhammadan religious endowment a private purchase of it is not possible.

3. Land measuring an acre in extent will be quite sufficient for the proposed extension and cannot be acquired except under the provisions of the Land Acquisition Act No. 1 of 1894.

4. As the land is required for a public purpose the acquisition may be made under the Act but the proviso to S. 6 of the said Act impose a further restriction that the compensation to be awarded for such acquisition has to be paid by a company or wholly or partly out of public Revenues or some fund controlled or managed by a local authority. In the particular case it is clear that the compensation which may not exceed one thousand rupees has to be paid wholly or partly by Government.

5. I therefore request that you may be pleased to recommend to the Local Government the acquisition for the said school

under Act I of 1894 of one acre of dry land adjoining its compound on its eastern side and forming part of a Muhammadan religious endowment at Itchapur, Berhampore Taluk, Ganjam District.

In reply to your letter R.C. No. 7136 of 1916, dated 4th October 1916, I have the honour to state that I have inspected the site required for the extension of the Surangi Secondary School at Ichchhapuram. The extent proposed for acquisition is only 0.75 acre. The owner's objection is not valid as the proposed acquisition does not interfere with the tomb which stands to the east of the site required for the school. You may therefore move the Government in the matter of the acquisition of the 0.75 acre excluding the tomb.
