From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

I have the honour to state that in anticipation of
the approval of Government, I called a meeting of the
Secondary School Leaving Certificate Board for June 6th
at Ootacamund to discuss various questions which have
arisen since the initiation of the School Final Scheme
particularly with reference to the position of Sanskrit
and the vernaculars, (vide G. O. No. 1076 Educational
dated 15th September 1914) and the working of the B Group
subjects.

As the changes contemplated were large in scope and as the existing curricula have been subject to a considerable amount of adverse criticism, I invited ten representative Headmasters of High Schools to attend the meeting. They accepted the invitation and tendered advice which was of value and I have the honour to request that you will be so good as to obtain the sanction of Government for the payment of travelling allowance to them at the rates admissible to first-class officers under Article 1004 of the Civil Service Regulations.

I have the honour to be,

Sir,

Your most obedient Servant,

What do these ^{Financial Deptt} Headmasters in gen.
Is the proposal to treat them
as 1st class officers justifiable?

There is no information as to who
were the headmasters that were invited
to the Conference, nor about their pay.
Under Art: 1002, C&R, an Officer is
~~placed~~ treated as a first class
Officer if the pay or maximum pay
of the appointment he holds exceeds
Rs 500. It is not likely that any
headmaster of a ~~non-Govt~~ ^{non-Govt} High School
would draw this salary, and strictly
speaking, they would not therefore be
entitled to be treated as first class
Officers.

Attention is, however, invited to
G.O. No 178 Edt. & 17.2.16 and 866 Home
(Mis) & 12.8.16, in which headmasters
of certain High Schools ~~were~~ appointed
to be members of Conferences were
along with other members treated as
first class Officers. Orders are
solicited whether in the Circumstances
the proposal in the present case
may be accepted.

I doubt very much whether
these headmaster travelled
first class and at the meeting
consisted of headmaster ^{there is} no
question of divisions distinc-
tion I would be inclined to
treat them as 2nd class officers.
Will Home kindly say whether
they agree?

2. It may be noted that the non-official
members ~~summoned~~ ^{summoned} to attend certain other
conferences ^{held in 1916} were treated as first class officers
for no 178 dated the 17th February 1916 and no 886,
dated the 12th August 1916

But in those cases there were
Others ^{who} who were of higher status
& who had to be treated as first
class officers & question of divisions
distinction in treatment would
have arisen if the headmaster

This is what is referred to in the Manual note above.

We have no idea here as to who were the head masters that attended the conference + what their exact status is. It seems better to consult the D.P.I. on the subject of final.

CA

The Conference was hurriedly assembled because the new proposals to be introduced for 1918. The D.P.I. consulted me (probably H.E. also) + I gave him full discretion to summon such headmasters as he considered suitable.

2. Re classification. I wish the precedent be adopted at least in this case. The conference was held at Oot which is a costly place. + the hasty summoning must have led to additional inconvenience & cost.

I am for repeating my original recommendations while I hope no final use except with reference to the above considerations

As the summoning of those

involved Sol. in expense duties
Financial should have been
consulted before the permission
referred to on page 5 and was
given. If there was no time for
this trial: should have been

2 As regards the proposal itself
I do not think that there is
sufficient justification for trial.
ring these men as first class
officers, and are really afraid
of the precedent. The meeting
consisted solely of headmaster
and I do not see how if we
agree to first class rates in this
case we could possibly refuse
it in others. I think double
second class fare and a daily
allowance of Rs 3/- would not
be inequitable. In view of
the precedent which this case
will constitute I find it necessary

That is the obvious & ordinary course
having regard to their pay, & would have
been adopted as a routine matter if
they had been Govt. servants on double the
pay. They are all in the same category as his
occasions & there is no question of invidious
distinctions. Mr. Kershaw rightly draws
attention to the precedent which will be
created if they are given first class rates
& I must ask Home kindly to consider
the case to HM. ^{and} if this is pressed.
