Subject - Employment of
Masters in Holy Orders in
the Lawrence Memorial
School, Ootacamund.

p. 56 of the Report for
1916.

According to rule 12^(of the rules) of the Lawrence Me
school, Ootacamund, the Principal should be a
of the Church of England and a clergyman. Under
rules 14 and 15 he has pastoral charge of the school
and gives religious Catechetical instruction to
the pupils except such as are exempted under
rules. Rules 24-26 provide also for religious
and divine services in the school. It appears
the rules as they exist at present provide
for divine services and pastoral work among
the pupils. They do not appear to prohibit
employment of masters in Holy Orders in
school. It is not therefore clear why the
of the Bishop of Madras has been referred
Govt. The Committee may therefore be requested
to furnish Govt. with further information
points raised above.

5.
Presumably the Bishop
wishes to take some of
work off the Principal's shoulders
O.K. etc.

The proposed reference is unnecessary. The only question is only one of funds. Whether we can get persons in holy orders to accept some of the sanctioned posts. The Bishop of Madras may be written to as to the supply of such material & the terms that will be acceptable. Death

The following draft d.o. is for approval. If approved it may be sent to the Ecclesiastical Dept for approval. D.O. 15523-1917.12.17

Dear Lord Bishop

- On the occasion of your visit to the Lawrence Memorial school, Polacamund, in Jan 1917 you have made a note suggesting the employment of one or two masters in Holy Orders in the school both to assist in the Chapel services and also for pastoral work among the pupils. Will you kindly let me know, for the information of the Govt, whether masters in Holy Orders are available and whether they will accept some of the sanctioned posts of the school, or if not, what the nature of the supply of such masters would be the terms that will be acceptable to them.

Yours Sincerely

My 15/12/17

Is it not usual to address such correspondence to the Arch. - reason.

submitted that it has been ascertained from the Eccl. Dept that there is no objection to addressing the Bishop himself.

The proposed reference is unnecessary
 The only question is one of form
 whether we can get persons in India
 orders to meet some of the conditions
 of the proposed reference.
 It is better to be on the safe side of things
 rather than to be on the unsafe side.
