Re No. 8676/17

Station Madras, Dated the 23rd November 1917.

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

HOML (EDUCATION) Department.

Sir, THROUGH THE ACCOUNTANT GENERAL.

I have the honour to address Government on the subject of granting local allowances to the teachers in the Government Girls' school, Polavaram. The teachers have represented that Polavaram is an agency tract often subject to the bad effects of malaria and have requested that they may be granted allowances just like the servants of other departments in the Agency tracts. The Inspectress of Girls' schools, Northern Circle in

supporting

supporting their request states that it is understood that the employees of other departments in Polavaram such as the Registration Revenue, Postal and Medical departments get local allowances and that similar allowances have been sanctioned on behalf of the teachers of the Government Girls' school, Bhadrachalam; vide G.O.No.435 Educational, dated 25-7-1910. In these circumstances, I consider the Inspectress's proposal to be reasonable and have the honour therefore to request that you will be so good as to obtain the sanction of Government for granting with effect from 1-3-1918 to the four teachers on Rs.14, Rs.12, Rs.10 and Rs.10 employed in the Government Girls' school, Polavaram local allowances of Rs.5, Rs.3, Rs.2 and Rs.2 respectively.

2. If the proposal meets with the approval of Government I request that the extra cost amounting to Rs.144 per annum may be ordered to be included in the budget estimates for 1918-19.

I have the honour to be,

Sir,

Your most obedient servant,

G. Krishnamoorti

for Director of Public Instruction.

Why should the allowances not be uniform?

For the A.S.

Please see Sir William ^{proposed} Meyer's note dated the 18-7-10 on page 3 of notes in G.O.435 Edl., d.24-7-10. The allowances in the present case follow the precedent in that G.O. But attention in this connection is invited to notes on pages 2 and 3 of the notes in G.O.1522 Edl., dated 1-12-17, where a uniform rate of allowance of Rs.2 in the case of teachers drawing rates of pay similar to those in the present case was accepted. Following the precedent the allowance in the present case may also be fixed at the uniform rate of Rs.2. For orders.

Through Budget Section

$4 \times 2 \times 12 = 96$

2. On receipt of Home Dept's pros. on this case, the A.G. may be requested to include the necessary provision in the Budget for 1918-19 under '22 Education' by manipulating probable savings so that the total budget figure may remain unchanged.

Home (Gen) Department.

The suggestion of the Financial Department.

Calls for the following remarks: -

(i)

② Trichinopoly - not in the Agency tracts.

- ① (i) The case disposed of in G.O. No 1522 Est 8, the 1. 12. 17 is not an all fours with the present one. In the former the local allowance was granted, the place being in the interior and out of the way part of the district where no quarters were available and women teachers did not care to go, ^(white) in the latter the allowance is proposed on account of the unhealthiness of the locality ^(Agency tract) which has already been recognised and compensated for by the Govt. in the past as with be seen from below. It may also be noted that a uniform allowance of Rs 3 per mensem was granted to the teachers of the Govt. girls school at Kollidal in view of the unhealthiness of the locality - G.O. 622 Est 12-5-17.
- (ii) A few instances in which local allowances have been granted in the Agency tracts are given below

G.O. No. 2688 Rev 31. 8. 17 (M)

Subject to a maximum of Rs 8 p.m.			

2. It will be seen from the above that allowances varying from 30 to 50 p.c. of the ^(of the Rev. Dept.) pay have already been sanctioned by Govt. to officers serving in the Agency tracts and that in the ~~above~~ ^{last case} quoted

(M) namely, G.O. No. 2688 Rwdy 31-8-17 it was decided after much deliberation to fix the allowance of Rev. subordinates ~~and~~ whose pay is less than Rs 30 p.m. at 50 p.c. of their pay. It follows therefore that a similar concession should be shown to the teachers in the present case. If the principle therein accepted by Financial is applied to the present case the allowances admissible to the teachers will be Rs 7, Rs 6, Rs 5 and Rs 3. The D.P.D. has, however, asked for only Rs 5, Rs 3, Rs 2 and Rs 2. It is not known how the

Govt. can make a distinction reasonably, decline

to sanction the Director's proposal. If however a uniform allowance is considered desirable, it might be fixed at Rs 5 as in G.O. No. 622 dt. 12th May 1917.

(E) 3. Submitted that the Financial Dept. may be requested to reconsider their previous decision in the light of the above remarks

page 1 ante.
