Department.

Sir,

With reference to G.O. No. 1213 Home (Education) dated
21st September 1917 sanctioning the revision of the scales of
staff and pay in the Government Training School for Muhammadan
mistresses, Guntur, Mrs. Paul, the Headmistress who was allowed
to draw the maximum of the revised scale viz., Rs. 75 only from
21st September 1917 the date of the G.O., represents that so long
ago as October 1916 she made a definite request to be relieved
of her duties unless her pay were increased and that she has
continued in service solely on the assurances given by her
superiors. She adds that the question of increase has been

under correspondence for the last five years and that if the new scale had been sanctioned five years back she would have gained about Rs.600. In these circumstances, she requests that the increase in her salary may be given effect to at least from 1st April 1917 and the Inspectress of Girls' Schools, Northern Circle strongly supports the Headmistress's request. In view of the good and responsible work done by Mrs. Paul for a number of years in a school of special character in spite of the low pay of Rs.50 sanctioned for her, I have the honour to recommend that Government will be pleased to permit Mrs. Paul to draw the maximum of the new scale at least from 1st July¹⁹¹⁷ as was already proposed in my letter R.C.No. 9142/16, dated 28th June 1917.

I have the honour to be,

S i r,

Your most obedient servant,

B. K. K. K. K. K.

Personally I see no reason for giving retrospective effect to the sanction. I submit that the ordinary rule should be adhered to.

The D.P.I. gives sufficient reasons for his proposal which involves only an additional expenditure of Rs 10 in all. It is for consideration whether an exception may be made in this case or whether the D.P.I.'s proposal may be negatived. In the former case, the file may be circulated to H.E. the Governor and the H.M. (Financial).

The D.P.I. is aware of the general rule, but wants the present case to be treated as a Special one. For orders.

I think that the D.P.I. has given strong reasons for making an exception; & the amount involved is small.
