(N)

With reference to the letter from the Madras Government in the Home Department, Education, No.2, dated the 21st February 1917, I write to let you know that in the event of any vacancy in the Educational Department being referred here to be filled the post will be, as desired, advertised. Inasmuch as recruitment for the Indian Educational Service is postponed during the war, and further, as the recommendations of the Public Services Commission are now under the consideration of the Government of India, it has not been thought necessary to send a formal despatch in reply to the letter of the Government of Madras. The whole question of the method of selection of recruits for Indian educational appointments will be considered in connection with the Public Services Commission's report.

Yours faithfully,

Acting Secretary,
Judicial & Public Department.

The Chief Secretary to the
Government of Madras.
