Approving the proposals of the Director of Public Instruction to award 135—of the annual aggregate value of Rs. 2,290 for Khond and Savara pupils in elementary schools in Balliguda and Parlakimedi divisions of the Ganjam Agency in lieu of the 50 — now awarded.

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 18th September 1917.

No.—R.C. 6101.

I have the honour to submit herewith, for the consideration of Government, an extract from the letter of the Agent to the Governor in the Ganjam district, R.C. No. 265/Ag. Genl., dated 18th July 1917, in which he has suggested the desirability of revising the present system of special scholarships sanctioned for award to Khond and Savara pupils in the elementary schools in the Balliguda division of the Ganjam agency and has forwarded proposals for increasing the scholarships. According to the scholarships notification, there are at present 50 special scholarships available for those classes of pupils in the Ganjam, Vizagapatam and Godavari districts. Their total cost comes to Rs. 780 annually, of which Rs. 552, the amount mentioned by the Agent, is a part allotted by the Inspector, I Circle, for the Balliguda division during 1916-17.

It may be observed that the rate of a scholarship in the IV standard according to the Agent's proposal is Rs. 3 per mensem while it is only Rs. 2 at present. But in view of the fact that it is an inducement to keep pupils on beyond the III standard it may better be kept.

2. If the Agent's proposals are approved, the extra cost of Rs. 1,048 can be met by reappropriation during the current year and for 1918-19, additional provision will be made in the budget estimate for that year under "22-H. Education—Scholarships".

ENCLOSURE

Extract from the letter—from the Agent to the Governor in Ganjam.

To—the Director of Public Instruction.

Dated—the 18th July 1917.

No.—R.C. 265-Ag. Genl.,

In forwarding herewith an extract from paragraph 1 of letter No. C. 247, Educational, dated 18th April 1917, from the Special Assistant Agent, Balliguda division, I have the honour to state that for the reasons given by him, I consider that a more extensive application of the scholarship system in the Balliguda division of the Ganjam Agency is necessary. After consulting the Special Assistant Agent and the Inspector of Schools, I think, that 20 scholarships in the IV standard at Rs. 3 per mensem, 30 scholarships in the III standard at Rs. 2 per mensem and 40 in the II standard at Rs. 1 per mensem will be a sufficient incentive to the parents of the boys to keep them at school till they complete the IV standard. I propose that all scholarships below the II standard may be abolished. This scheme will result in an annual expenditure of Rs. 1,600 as per details in the margin against Rs. 552, the present grant. The latter amount is certainly insufficient. I request that if you agree with me, necessary provision may be made for the extra expenditure in the next budget.

SUB-ENCLOSURE

Letter—from the Special Assistant Agent, Balliguda.
To—the Agent to the Governor in Ganjam.
Dated—the 18th April 1917.

I have the honour herewith to submit for the favour of your consideration certain proposals for the improvement of education in my division.

I. It is desirable to increase the numbers of Khond and Savara children in the higher classes; at present in most mixed and pure Khond schools, parents remove their children at the age of 10 to 12, when they have passed the II standard in order to get them to work. No persuasion can have any effect as, while the parents to consider the advantages of continued education uncertain and to some extent intangible, they immediately obtain the valued assistance given by their children in cultivation and other work.

Order—No. 29, Home (Education), dated 10th January 1918.

The Government sanction the award, with effect from the beginning of the next official year, of the undermentioned scholarships for Khond and Savara pupils in elementary schools in Balliguda and Parlākīmedi divisions of the Ganjam Agency, in lieu of the 50 scholarships costing Rs. 780 per annum now awarded:—

NOTES CONNECTED WITH G.O. No. 29, HOME (EDUCATION), DATED 10TH JANUARY 1918

[SUBJECT.—Scholarships to Khonds and Savara pupils.]

HOME (EDUCATION) DEPARTMENT.

From the Director of Public Instruction, No. 6101, dated 18th September 1917.

It is not clear from the Director of Public Instruction's letter how his proposals will affect the number of scholarships now granted to Khond and Savara pupils in the Agency tracts of Vizagapatam and Gōdāvari. He may, it is submitted, be asked u.o. to elaborate his proposals in greater detail. In this connexion, his attention may be drawn to the proposals embodied in the letter of the Assistant Inspector of Schools, Vizagapatam, printed on page 4 of G.O. No. 594, Education, dated the 29th May 1916, in regard to the grant of scholarships to pupils in the hill schools newly opened in the Vizagapatam Agency.

N.K.—29-9-17.

There are now two sets of scholarships—one as specified in the scholarship notification and the other approved for Vizagapatam Agency alone in G.O. No. 594, Education, dated the 29th May 1916, which have not been incorporated in the scholarship notification.

It is not clear whether the present proposals relate to Balliguda alone. From the comparison in the current of the cost of the new proposals with the amount allotted to Balliguda, it appears that the Director of Public Instruction refers to that Agency alone. If so, it has to be made clear what the number and rate of scholarships for the other Agencies are, and the total amount involved.

C. RAMANUJA ACHARIYAR—2-10-17.

R. RAMACHANDRA RAO—3-10-17.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

My proposals submitted to Government with Director's letter R.C. No. 6101, dated 18th September 1917, excluded Gōdāvari and Vizagapatam, the former because there are practically no Khonds and Savaras requiring consideration and the latter because it was thought undesirable to change the scheme approved in G.O. No. 594, dated 29th May 1916, for which Rs. 2,520 has been provided in the Civil Budget Estimate for 1918-19. Thus the proposals now under consideration relate to Ganjam only. They should, however, have been complete and have referred to Parlākīmedi as well as to Balliguda division. The Inspector of schools has made, with the Agent's concurrence, an estimate for similar scholarships for Parlākīmedi—25 in standard II at Re. 1, 16 at Rs. 2 for standard III and 4 at Rs. 3 for standard IV (by the new terminology these will be standards III, IV and V) i.e., Rs. 69 per mensem. Those already suggested for the Balliguda division in standards III, IV and V (new terminology) come to Rs. 160 per mensem. The total cost of this scheme for Ganjam thus comes to Rs. 229 per mensem or Rs. 2,290 for ten months. The amount now available for Khonds and Savaras being Rs. 780, Rs. 1,510 extra is required in 1918-19, provided Government approve the scheme with effect from the beginning of next year. Towards this Rs. 1,000 has been proposed in the budget. The balance could be met from savings or by re-appropriation.

introducing 45 new scholarships of the yearly value of $69 \times 10 = \text{Rs. } 690$ for Parlākīmedī also. These proposals relate to Ganjām only; Gadāvārī and Vizagapatam have been excluded for the reasons given in the note above.

2. The total cost of the scheme comes up to $\text{Rs. } 160 \times 10 + 69 \times 10 = \text{Rs. } 2,290$. The extra cost involved would be $\text{Rs. } 2,290 - 780 = \text{Rs. } 1,510$. Towards this, a provision of Rs. 1,000 has been proposed in the budget for 1918-19, and the Director proposes to meet the balance of Rs. 510 from savings or by re-appropriation.

3. The proposals may be approved as the object seems a very desirable one. Submitted remarks of the Financial Department may be obtained before formal sanction is granted.
