of the Council dated the 15th October 1917, Resolution 4, wherein
the Council have resolved to apply to Government for a supplemental
grant of Rs. 703 under the following circumstances.

2. From the statement attached hereto, it will be seen that
a net sum of Rs. 703 was spent in excess of the grant sanctioned by
Government for the four school buildings. The excess was mainly due
to the rise in the price of building materials in respect of Sanar-
palaiyam school construction which was completed in December 1915.
The Council therefore requests that the excess expenditure of Rs. 703
may also be sanctioned as a supplemental grant.

Extract from the Proceedings of the Municipal Council of Cudda-
lore passed at a meeting held on the 15th October 1917.

4./Statement showing the Provincial subsidy for Educational build-
ings and the amount spent on several buildings showing a minus balance
of Rs. 703.

excess amount.

The Director states that he is unable to point out any source from which the additional subsidy of Rs 703 applied for by the Council can be met. ^{It has been suggested that} A provision of one lakh may be made in the budget estimate for 1918-19 for payment to local bodies on account of elementary school buildings. If this is done, it may be possible to comply with the Council's request. It is therefore for consideration whether the Council may be asked to renew its application next year. For the draft order below is for approval.
