To The Secretary to the Government of Madras,

(EDUCATION)

Sir,

As the sanction accorded in G.O. No. 814 Home (Education), dated 18th June 1917 to the temporary employment of Mr. W.B. Brierley, acting Inspector of Schools, Second Circle, in the Indian Educational Service will expire on 21st November 1917 when Mr. T.O. Hodges is expected to return from leave, I have the honour to recommend that steps may be taken for the former being confirmed in the Indian Educational Service as Inspector of Schools in the vacancy caused by the transfer of Mr. A.I. Mayhew as Director of Public Instruction, Central Provinces.

Mr. Brierley's work as Inspector has been satisfactory and his early confirmation is recommended in order

ment outside this Presidency.

I beg to add that the Government of India have approved the inclusion of his name in the general list of the Indian Educational Service candidates. A statement of his qualifications is appended to G.O. No. 463 Home (Education), dated 10th April 1917.

I have the honour to be,

S i r,

Your most obedient servant,

J. Stone

Director of Public Instruction.

Hauteville,
Ootacamund,
20th September 1917.

My dear Diwan Bahadur,

Please see the enclosed correspondence between the Acting Director of Public Instruction, North West Frontier Provinces and myself.

I have just heard from Brierley that notwithstanding my letter of the 26th June Mr. Tipping has written D.O. to Mr. Brierley pressing him to accept the Islamia College appointment. This action on the Director of Public Instruction's part appears to me most reprehensible and I submit calls for some communication between this Government and that of the North West Frontier Provinces. I think no formal offer of the appointment has been made to Brierley and none should be.

He asked my advice and I said what I could to dissuade him from accepting the Islamia College offer.

Yours sincerely,

To

The Hon'ble Diwan Bahadur R. Ramachandra Rao Avl.,
Ootacamund.

Public Instruction, North West Frontier Province, Peshawar,
dated 19th June 1917.

GOVERNMENT OF INDIA

HOME DEPARTMENT

"We have been notified of the candidature of Mr. W.B. Brierley (now employed as a temporary Inspector of Schools in your Province) for a post in the Indian Educational Service; and I have been requested by the authorities of the Islamia College, Peshawar, who are in want of a Headmaster, to make some inquiries regarding him.

They wish to know (1) whether you consider that Mr. Brierley would make a good headmaster for a large residential school, such as the Islamia College School, Peshawar, (2) whether Mr. Brierley would care to offer himself for the post. The college authorities would be prepared to pay him at the same rate as the Indian Educational Service and to appoint him in the first instance for two years. In addition to his salary he would be provided with a house at a nominal rent.

As you have possibly heard little about the Islamia College, Peshawar, I may say that it is not a Government Institution, but is managed by a Committee of Indians and Englishmen, that the Director of Public Instruction and the leading English officials are members of the Committee. The college is also supported strongly by the Government of India from whom it receives a large recurring grant, so that the financial position may be regarded as quite sound.

I think that Mr. Brierley might find two years at the school an easy means of ~~entrance~~ entrance into the Indian Educational Service, but in regard to this I cannot, of course, make any definite promise. But I may add that the Principal of the College and the Headmaster, who is now leaving, are both members of the Indian Educational Service lent to the college.

I will not go into any further details, as it would be rather we hear whether Mr. Brierley would care to

offer for the post. If he should do so I shall be glad to give him all the information he may desire.

The Headmaster is required in September.

Copy of D. O. No. C. 67 of 1917, dated 26th June 1917 from the Hon'ble Mr. J.H. Stone, M.A., C.I.E., F.R.H.S., Director of Public Instruction, Madras, to Mr. L. Tipping.

Your letter dated 19th June 1917.

I think Brierley would be quite a good man for your Islamia College, but although he is temporary here at present there is every prospect of his being made permanent. I don't want to lose him.

The Director has not forwarded a copy of Mr Tipping's d.o. letter to his Bos. Before addressing the Govt. of the N. W. Frontier Province, it appears necessary to see what ~~actually~~ ⁱⁿ terms this letter is couched. It is therefore submitted that the D.P.I. may be requested ^{to} to obtain and send a copy of this letter.

Mr. Brierley has not been confirmed here. His name is presumably in the list of candidates for the 1918 which list is circulated to all local Governments. The Govt. of the NW Province select him. They first addressed the D.P.I. & ascertained that Mr. Brierley is a suitable person.

Probably they next proceeded to ascertain if Mr. Brierley is willing to go. If he is not, they will not move further. If he is, they will probably address the Local Government. I do not see anything wrong in the procedure.

It is moreover, solely

confirmed here, for Mr. Brierley to choose. He is employed here only temporary services ceasing on a fixed date. He is now offered a two years job. He may have other reasons for going to the North.

As I should be close a man from the S.S. in the Presidency, I do not see how we can interfere with Mr. Brierley's choice if he cares to go.

I have returned Whipping's letter to Brierley. Wrote him to stay for the former time but although I had told Whipping that he was wanted here.

It is what I call reprehensible conduct & I think his own right to know it.

at the same time I hardly like telling him otherwise merely for the purpose of using him.

Brierley now makes it clear that he has no wish to leave the Presidency.

Please see the D.P.I.'s note above. It is presumed that the Govt of the N. W. Frontier Province need not be addressed on the matter.

2. The D.P.I. has since officially proposed the confirmation of Mr. Brierley in the Indian Educational Service. Mr. Brierley was admitted into the Service as acting Inspector on the 24th January 1917 his present term of engagement expires on the 21st November next. There is one other officer viz Mr. H.C. Papworth, acting addl Professor of English in the Presidency College, who has been acting in the Indian Ed. Service from the 28th January 1916. His employment was standing temporarily for a period of two years. It is not known whether the D.P.I. will propose his confirmation later on in the vacancy caused by the death of Mr. Braithwaite.

The Govt. of India's letter of 12.9.17 and Mr. Papworth's claims should apparently be considered in this connection. The former (para. 6) ^{admits} of the claims of persons already acting in permanent vacancies. ~~For~~ Mr. Brierly's case may be taken to be covered by this, though it cannot strictly be said that he has been officiating in Mr. Mayhew's vacancy. As regards the other, Mr. Papworth's claims, it seems to be necessary to consider the D.P. I. no. as to whether ^{or not} he considers Mr. Papworth's claims should not be considered in this connection. Mr. Papworth is senior; but Mr. Brierly may probably give up Madras service if not immediately confirmed.
