Sir,

The Principal, College of Engineering, Madras, proposes to provide each student in the hostels at the new College, Guindy, with a table and a wooden bottomed chair according to a prescribed pattern. The number of tables and chairs is estimated at 550 but Mr. James proposes to order now a 1st instalment of 200 tables and chairs at an aggregate cost of Rs. 3,600/-. I have the honour to request that you will be so good as to obtain the sanction of Government for incurring the expenditure in question, the charge being met from the current year's budget provision under contingencies for the college.
