Station Madras, Dated the 15th January 1918

From (Name) C. A. Innes, Esqr., I.C.S.,
(Designation) Director of Industries, Madras.

To The Secretary to the Government of Madras,
Home (Education) Department.
Through the Accountant-General, Madras.
Sir,

I have received bills amounting to Rs. 504 for the electric lighting of the various stalls at the Madras Exhibition occupied by the exhibits of the Department of Industries and to Rs. 658 and odd for various expenses incurred in fitting up the stalls such as putting up the tables, covering them with red cloth, putting up roofing cloth and so on. I expect further bills, and as in many cases the money is owing to small contractors who cannot afford to wait or has been advanced from his own pocket by the Sub Engineer who was ordered to prepare the stalls for the exhibition, I have the honour to request that I may be permitted to meet the bills as they come in from the funds of the Department. The

expenditure can be met from the savings under "Miscellaneous
"Experiments - 26 Bm Scientific and Miscellaneous Departments"
and the bills will be drawn on ordinary contingent bills.

The expenditure will probably not exceed Rs. 1500 and I request
sanction for an expenditure of this amount. The expenses are
an ordinary expenses, which have been incurred by every
exhibitor at the Exhibition and cannot be met from the sum of
Rs. 5000 sanctioned by Government in G.O. No. 1137 Home
(Education) dated the 3rd September 1917 to meet the preliminary
expenditure connected with the Exhibition.

2. Very urgent orders are requested, if possible by telephone.

I have the honour to be,

Sir,

Your most obedient servant,

M. N.

Director of Industries.

Office of the Accountant-General,

Fort St. George, dated the 17th January 1918.

proposal being sanctioned.
